Seine River Cruise featuring Monet's Garden and the Gardens of Normandy

8 DAYS WAS £2,995 NOW from £2,745 | TOUR MANAGER: Trevor Edwards

DEPARTURE POINT: London St Pancras International

Join us on a relaxing cruise on the sinuous river Seine, into which we have woven a series of visits to the outstanding gardens of Normandy, including Monet's garden at Giverny, which continues to enthral countless visitors more than 90 years after his death.

Other garden highlights include the Château de Mirosmesnil, which represents four centuries of harmonious architectural styles, and Le Vasterival, one of the finest gardens of its type and a lasting legacy of its creator, the Princess Sturza. At the Jardin de Plume we will discover a natural yet structured contemporary garden in a typical normandy orchard. We also enjoy a visit to France's most iconic palace, the Château de Versailles.

Waking up to a new view every day (without having to pack and unpack) is always a lovely experience and combined with these wonderful gardens this promises to be an unforgettable cruise holiday.

Day 1 We depart from London St Pancras International by Eurostar to Paris Gare du Nord. (First Class upgrades and regional connections also available on request). On arrival we will be met by our local coach and transferred to **Musée de l'Orangerie des Tuileries**, before continuing to our ship on the banks of the river Seine. (D)

Day 2 As we sit down to breakfast this morning the ship will sail towards Rouen. After lunch, we depart for a visit to the **Jardin de Plume**. Making generous use of grasses and perennials, the four-acre garden includes seasonal plantings, a central square mirror pool and a kitchen garden. We return to the ship in time for dinner and moor in Rouen overnight. (B, L, D)

Day 3 After breakfast we depart for the first of two garden visits today, **Château de Mirosmesnil**, which represents four centuries of harmonious architectural styles including a rare example of Louis XIII monumental style.

Day 4 After breakfast we depart for a visit to the **Pegasus Bridge Memorial Museum**, which pays tribute to the Anglo-Canadian 6th Airborne Division who liberated the bridge here during the D-Day Landings of 1944. We then continue to the garden at **Château de Canon** at Mezidon-Canon. Like Chiswick Park, it has an axis leading from the house across a grass parterre and an axial woodland ornamented with small temples, including The Temple de la Pleureuse. We conclude today at the famous Calvados house of **Père Magloire** where we will be guided by the Cellar Master followed by a tasting in the shop. Dinner is served on board the evening as the ship sails for Les Andelys. (B, PL, D)

Day 5 Today this morning is at your leisure as the ship is docked in the town of Les Andelys. During the early afternoon the ship sails to Vernon. On arrival, we depart for nearby Giverny and the world-famous **house and gardens of Claude Monet**, which have been lovingly and accurately restored. You will have time to explore this marvellous garden at your leisure. (B, L, D)

Day 6 Today is spent cruising the Seine enjoying the panoramic scenery and the on-board facilities of our ship. (B, L, D)

Day 7 After breakfast we depart for one of France's most iconic palaces, the **Château de Versailles**. We have a full day to explore the Royal Apartments, the Hall of Mirrors, where courtiers and illustrious guests were received at the time of Louis XIV; the Chapel, the Royal Opera and the Museum of the History of France. Outside the gardens are also the largest museum of outdoor sculptures in the world. The waterbed comprises two large pools which reflect light and illuminate the façade of the Hall of Mirrors. The Northern Parterre is divided into two, each side centred around a circular pool. (B, PL, D)

Day 8 After breakfast on board, we disembark and transfer to the Gare du Nord for our Eurostar train back to London where we expect to arrive in the evening. (B) **Inc. meals:** B: Breakfast, PL: Packed Lunch, L: Lunch, D: Dinner

Open by special arrangement, we are delighted to offer this rare opportunity to visit the ancient and beautiful gardens of Ninfa. Equally rare is the opportunity to follow in the footsteps of the Popes as we visit the gardens of Castel Gandolfo, the traditional papal residence just outside Rome, where the view from the balcony is a sight that will stay long in the memory.

We also visit Villa Lante with its many water features, the 16th century gardens at Villa D'Este, romantically overgrown with tall pines, evergreen oaks and cedars and Viterbo, a medieval walled town.

DEPARTURE POINT: London. Direct & connecting flights can be arranged from your local airport - please call for details

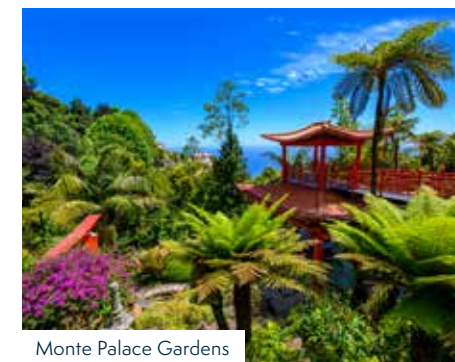

Set in a bright blue sea some 400 miles off the coast of Africa lies the lush, volcanic island of Madeira, famous for its outstanding natural beauty. Much of the island is assigned as a conservation area where rare flowers cover the island like a green mantle, with orchids, bougainvillea, lilies, hydrangeas, magnolias, jacarandas and azaleas blooming effortlessly throughout the year. One of the nicest ways to explore the island is by following the footpaths alongside the "levadas" (small man-made irrigation canals), which wind their way around the island. Our May departure is also timed to coincide with Madeira's Flower Festival, when the streets are carpeted in flowers and colourful displays can be seen on every corner.

The Genius of Monet

Just as the gardens at Giverny inspired Monet, who spent half his life nurturing and enjoying them, they continue to enthral countless visitors more than 90 years after his death. The lovingly restored gardens give a vivid impression of Monet's favourite subjects, filled with poppies, lupins, delphiniums and peonies. Arched bridges, painted an acid apple green, are festooned with wisteria and the draped fronds of weeping willow frame the water lilies - Monet's paintings brought to life. The perfect complement to Giverny is the Orangerie Museum in Paris. The centrepiece of this outstanding collection is Monet's breathtaking series of murals, *Les Nymphéas*. We also visit the Château de Chantilly, with its extensive collection of fine art and its gardens designed by Le Nôtre, and the pleasant market town of Senlis.

9 DAYS from £3,595 NOW from £3,245 | TOUR MANAGER: David Hurrion*

✈️ DEPARTURE POINT: London

At 21 miles long and 14 miles wide, Barbados is a small and perfectly formed vision of pure Caribbean paradise. This is a place of upbeat welcomes, radiant seas, sandy beaches, golden palms, and thick gleaming rainforest – the quintessential island idyll. It's also a place where private gardens blossom, lilies and heliconias burst vibrantly out of the undergrowth, and species of orchid thrive in their thousands. This laid-back tour really does have something for everyone. Picture gazing across the sweeping vistas of Cherry Tree Hill, watching the lively resident monkeys of the Andromeda Botanical Garden and exploring the George Washington House, an important remnant of the island's plantation past. Join us as we escape the bustle of mainland life, and channel your inner castaway.

- Day 1** Enjoy access to the airport Executive lounge before we depart from London to **Bridgetown** and transfer to our hotel. (IF, D)
- Day 2** Our tour of Barbados begins at the **George Washington House**, where the young George and his ailing brother Lawrence resided for two months in 1751. Our next visit provides a most colourful and fragrant experience as we explore the **Tropical Gardens**, home to more than 20,000 orchids. (B, L)
- Day 3** Today we visit the **Andromeda Botanical Gardens**, which play an important part in horticultural research and education. Later, we discover **Hunte's Garden**, located in a gully in the centre of Barbados' rainforest. Thanks to such an interesting location, the garden offers a multi dimensional experience, with vigorous plants densely growing on many levels, from sunny and open spaces, down to a mysterious, dark heart of real Caribbean jungle. (B, L)
- Day 4** We explore **Harrison's Cave** this morning, a crystalline limestone cavern which lies in the centre of the island. We will also take a leisurely walk along the nature trail that has been created here. We continue with a visit to the **Flower Forest**, located in one of the most beautiful areas of Barbados and built on a former sugar plantation. (B, L)

- Day 5** We explore the **St. Nicholas Abbey Plantation**, 400 acres of undulating sugar cane fields, lush tropical gullies, mahogany forests and formal gardens. We will also enjoy a scenic drive on the **heritage railway** that winds through the plantation. Later, we visit historic **Speightstown**, which dates back to 1630 and has a pleasing blend of colonial and modern architecture. (B, L)
- Day 6** Today is free to stroll along the beach, take a swim or perhaps venture further afield. Alternatively, join our **optional excursion**, a cruise aboard a **Catamaran yacht**. Relax on board watch the beautiful coastline of Barbados slip by, then drop anchor for a swim followed by a sumptuous Barbadian lunch. (B)
- Day 7** We explore the island's capital **Bridgetown** today, which was founded by English settlers in 1628. Historic Old Bridgetown and its Garrison is now inscribed as a UNESCO World Heritage Site. There will also be free time for shopping. (B, D)
- Day 8** Enjoy some time at leisure before we transfer to the airport for our return overnight flight to London. (B, IF)
- Day 9** We arrive in London.

Spring Flowers of Namaqualand

15 DAYS from £5,295 NOW from £4,945 | TOUR MANAGER: Colin Crosbie

DEPARTURE POINT: London

Namaqualand, in South Africa's Northern Cape, is a place of rare and exquisite beauty, an unspoilt expanse of open spaces broken by ancient outcrops of granite - and a plant lover's delight. With an intensity dependent on the winter rains, come spring the barren ground bursts into a carpet of flowers, a vast tapestry of stunningly interwoven colour. In addition to this spectacular display our tour includes coastal and mountain fynbos, succulent plants, bulbs and orchids, proteas and heaths, a game drive, a chance to go whale watching and of course a vineyard!

We begin in Cape Town with visits to familiar destinations such as Kirstenbosch and Table Mountain, but as we head north we move into less well-known territory, through the homelands of the San people with their distinctive clicking language and on into Namaqualand. A series of visits will bring us into close contact with swathes of colourful flowers for a truly memorable experience.
