## Highgrove and the Cotswolds

4 DAYS from £945 |  PICK-UP POINTS: London, Reading, Swindon, Bristol

Our tour of the Cotswolds features an exclusive visit to Highgrove House, the country home of His Majesty The King. This will be a rare opportunity to see these fascinating gardens, which, of course, are cultivated using wholly organic methods.

Some of the finest gardens in England are to be found nestled among the green and rolling hills of Gloucestershire. Our tour begins at the Arts and Crafts house of Rodmarton Manor, whose fine garden comprises a series of 'outdoor rooms'. Hidcote Manor's contrasting garden rooms are one of the most impressive sights in England and Kiftsgate's splendid views are justly famous. We also visit Painswick Rococo Garden, a recreation of a pleasure ground from the early 18th century and finally Westonbirt, the National Arboretum.

### YOUR TOUR INCLUDES

- ▶ Three nights' dinner, bed & breakfast at a comfortable hotel in the Cotswolds
- ▶ Lunch at Highgrove
- ▶ Comfortable coach travel throughout
- ▶ Services of an expert tour manager

## Gardens of Dumfries and Galloway

4 DAYS from £895 | TOUR MANAGER: Colin Crosbie

 PICK-UP POINTS: Aberdeen, Dundee, Perth, Kinross, Dunfermline, Edinburgh, Glasgow

In the south-western corner of Scotland, Dumfries and Galloway is home to some of the country's most attractive gardens. The artistic highlight of our tour is undoubtedly Dumfries House, actually in Ayrshire and which King Charles helped to save. One of the Adam Brothers' finest achievements, the stunning interiors showcase a unique collection of Chippendale furniture, while the walled garden is one of the most exciting new garden developments in all of Scotland.

We see something rather different at Broughton House – an artist's garden at the restored former home of 'Glasgow Boy' E. A. Hornel, which shows the influence of his time in Japan and is always full of colour. Further highlights include Drumlanrig Castle, one of the most important Renaissance buildings in Scotland, and Crawick Multiverse, a gem hidden among the rolling hills of Dumfriesshire.

## Highlights of Orkney & Shetland

6 DAYS from £1,845

 **PICK-UP POINTS:** Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Aberdeen

Sail away to lands steeped in history, wildlife and stunning scenery – the Orkney and Shetland isles. Many people have landed there before us, some as early as 3000 BC. Most famous of all were the Vikings, but they were not alone and all around you historical treasures can be found. Both Orkney and Shetland have their own identities - Orkney is green and fertile, while Shetland has rugged cliff and sea loch landscapes. However, both share a colourful history of Picts, Norsemen, ancient antiquities and seafaring legends – bound together with an independent spirit that sets them apart from the rest of Scotland. We sail with Serco Northlink Ferries aboard their modern, purpose-built vessels overnight from Aberdeen to Lerwick, and then there are two full days to tour Shetland.

### YOUR TOUR INCLUDES

- One night's dinner, bed and breakfast at the Scalloway Hotel, Shetland *(or similar)* and three nights' bed and breakfast *(plus two dinners)* at the Kirkwall or Shore Hotel, Orkney

The Jacobite steam train

## A Classic Scottish Steam Break

4 DAYS from £825

**PICK-UP POINTS:** Aberdeen, Stonehaven, Forfar, Dundee, Perth, Kinross, Dunfermline, Edinburgh

Steam locomotion has an enduring fascination for many of us and combined with the wonderful scenery of Scotland it becomes utterly irresistible. The Jacobite steam train, from Fort William to Mallaig, is one of the longest steam-hauled rail journeys available in Britain today, an 84-mile round trip through some spectacular scenery that also includes the 21-arch Glenfinnan Viaduct. We also enjoy a taste of steam as we cruise aboard the newly restored SS Sir Walter Scott on the calm waters of Loch Katrine amid the spectacular scenery of the Trossachs. There are two more boat trips to enjoy as we cruise on Loch Lomond, with tales of Rob Roy MacGregor and other local legends, and take a ride on the Falkirk Wheel, the world's first rotating boat lift and a modern engineering marvel. Back on dry land we visit historic Inveraray Castle, home to the Dukes of Argyll, set in beautiful grounds on the shore of Loch Fyne.

### YOUR TOUR INCLUDES

Glenfinnan Viaduct

## Scenic Scottish Railways

4 DAYS from £895

**PICK-UP POINTS:** Glasgow, Edinburgh, Dunfermline, Kinross, Perth

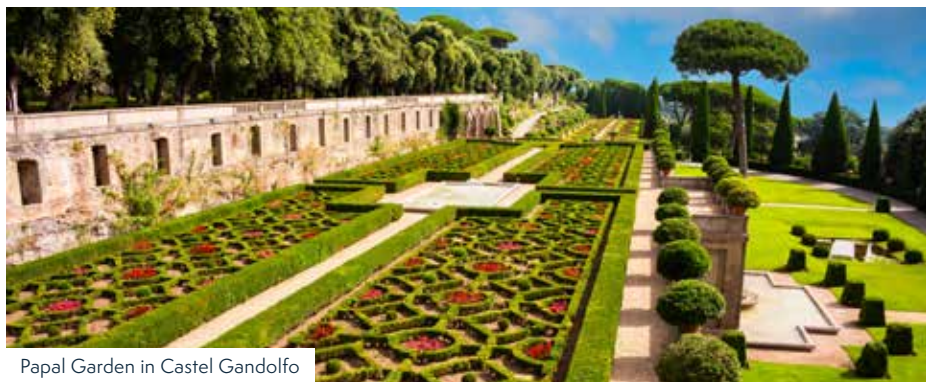

The north of Scotland is blessed with some wonderfully scenic railway lines. The challenge of building railways through difficult terrain was taken up by the great engineers of the Victorian age. Their legacy is in the sweeping curves and majestic viaducts of the single track lines which cross wild moors and lonely glens. Highlights on this short break include a visit to the much-photographed Eilean Donan Castle, a ride aboard the Jacobite steam train that takes us over the iconic Glenfinnan Viaduct and a visit to Boat of Garten on the Strathspey Line, which you may recognise from the BBC series, Monarch of the Glen.

Papal Garden in Castel Gandolfo

## Rome, Ninfa and Castel Gandolfo

4 DAYS from £1,695 | DEPARTURE POINT: London

Open by special arrangement, we are delighted to offer this rare opportunity to visit the ancient and beautiful gardens of Ninfa. Equally rare is the opportunity to follow in the footsteps of the Popes as we visit the gardens of Castel Gandolfo, the traditional papal residence just outside Rome.

The romantic flower-covered ruins at Ninfa, just to the south of Rome, are as close to gardening perfection as you can get. Scented roses, hydrangeas and jasmines curtain what remains of the walls of medieval buildings and paths meander beside a crystal-clear river. Castel Gandolfo is the papal residence to the south of Rome, whose gardens the late Pope Francis only recently ordered should be opened to the public. The view from the balcony overlooking the Giardino del Belvedere, with its strict geometric parterres, edged by towering cypresses and umbrella pines, is a sight that will stay long in the memory.

The Villa Lante is a study in geometry and symmetry dating back to the 16th century, with many water features including a huge, balustraded water fountain which is a superb example of late Renaissance style. The 16th century gardens at Villa D'Este, romantically overgrown with tall pines, evergreen oaks and cedars, are renowned for their use of water and the garden seems to be full of sparkling spray.

We shall also visit Viterbo, a medieval walled town which in its heyday rivalled Rome itself.

### YOUR TOUR INCLUDES

- ▶ Three nights' bed & breakfast at a 4-star hotel in Rome
- ▶ Dinner and welcome drink on the first evening
- ▶ Return flights from London to Rome
- ▶ Comfortable coach travel throughout

They are places of exquisite beauty, with autumn and spring foliage particularly highly prized. ## California – In the footsteps of John Muir

15 DAYS from £6,995

DEPARTURE POINT: London

A paradise on the Pacific, California's monumental landscapes are a delight for the senses, from the ocean and mountains to mighty redwood forests and barren sweeps of deserts. We feature a combination of famous botanical gems such as those of Berkeley University, Santa Barbara, Strybing and Huntington and private gardens such as Filoli with its beautifully preserved Georgian revival house and Lotusland, for many the outstanding garden of this tour. Led by the Curator of Tresco's Abbey Gardens and expert horticulturalist Mike Nelham, this Golden State itinerary promises to stay with you forever.

Aurora borealis, Reykjavik

## Iceland Northern Lights

5 DAYS from £2,495

DEPARTURE POINT: London

Seeing the Northern Lights is a bucket list item for many of us, but aurora borealis aside, Iceland offers a host of attractions, quite unlike anywhere else in the world. From geothermal dips to moonlit trips, this tour is a Who's Who of once-in-a-lifetime experiences. It may be the focus of our tour, but the aurora borealis is only one of the many natural wonders present in Iceland. It's unlikely you'll find another country with such extensive otherworldly appeal: lunar lava-formed landscapes, thunderous waterfalls, moody geysers and glistening glaciers — and those are just the geological bits!

Our tour is split between Reykjavik, the world's most northerly capital, and the southern town of Hella, to maximise our chances of seeing the aurora. Bucket list at the ready...
