"The Up Helly Aa celebration was a fantastic experience, and the tour guide was superb."

Guest - January 2025

Up Helly Aa - Shetland's Festival of Fire

A wander through the streets of Lerwick is normally a quiet, peaceful experience, but take a walk there at the end of January and it's quite likely that you will bump into a squad of very large, bearded Vikings, in gleaming chain-mail and winged helmets. Later, the Vikings and their fancy-dressed followers fill the narrow streets, their flaming torches illuminating the winter skies, their boisterous songs filling the air. A 30-foot Viking longship is carried aloft before it is set alight with a thousand blazing brands. As the sky over Lerwick shimmers with heat and light, fireworks explode and the gloom of winter is lifted for another year.
