A particular highlight is our Singapore Garden Festival tour, featuring one of the world's top flower shows along with other bucket-list worthy experiences; the kaleidoscopic Gardens by the Bay at night-time and afternoon tea at the decadent Raffles Hotel to name but a few. Elsewhere, there is plenty of choice for the year ahead, whether you would like to discover the unique gardens of Sweden in the footsteps of Carl Linnaeus, the 'Flower King', enjoy a cruise through the natural beauty of the mighty Rhône and the lavender fields of Provence or embark on an archaeological adventure in Sardinia or Athens, where an abundance of treasures await.

We are pleased to also introduce several tours to the most iconic event of the horticultural calendar, including Gardens of Southern England and the RHS Chelsea Flower Show, the crème de la crème of springtime tours covering a wide range of gardening excellence. With 2026 marking the 25th anniversary of the Eden Project, it's the perfect time to join our brand-new celebration of Cornwall too, or in Scotland, look forward to a grand tour of the country's finest gardens plus new discoveries to beautiful castles, abbeys and other fascinating relics of the past.

What's more, joining a tour has never been easier, with new flight options from regional airports offering even more flexibility. Every aspect of these tours has been meticulously crafted to take care of the details, so you can simply relax and delve into natural beauty and fascinating history.

The grounds of historic houses

As you know, many of the UK's historic houses and castles are known for their glorious grounds, and we visit a fabulous array of these throughout our portfolio of garden holidays.

Gardens at home and abroad

We may be a UK-based tour operator, but our garden holidays can take you all over the world. We have many stunning itineraries on offer that visit gardens in destinations as diverse as France, Italy, Japan and the Caribbean island of Barbados, to name but a few.

Royal Connections

One of the UK's most alluring sights is that of a historic house with royal connections. From the perfectly manicured gardens that surround them to their decadent interiors, and from the legacies of those who once graced their halls to the incredible stories around every corner, these dramatic homes have become synonymous with the great British countryside. Look out for our wonderful itineraries that include some of our favourites.

Highgrove

The country home of His Majesty The King, Highgrove is simply charming and was built between 1796 and 1798. Many improvements have been made to the surrounding gardens, which are tended using wholly organic

methods. The gardens at Highgrove are truly delightful and seasonal highlights can be admired here between April and October in the Victorian-inspired Stumpery, the Sundial Garden and the fantastic Wildflower Meadow, which stretches across four acres. **See pg. 51**

Dumfries House

The 18th-century Palladian Dumfries House, located in Ayrshire, was saved by The King in 2007, when he headed up a consortium that purchased it along with its entire contents. Its stunning interiors are home to a world-

class collection of furniture by Thomas Chippendale and many other late 18th-century cabinet makers. The estate is also home to the Queen Elizabeth Walled Garden, one of the best examples of its kind in Scotland and in many ways the flagship restoration garden. **See pg. 32**

Balmoral

The Scottish holiday home to the Royal Family, Balmoral Castle boasts 170 years of regal history. Located in Royal Deeside, Aberdeenshire, it was purchased for Queen Victoria by Prince Albert in 1852 and is a category A listed building.

The castle gardens were first opened to members of the public in 1931, but Queen Mary devised the gardens between 1923 and 1925. The Duke of Edinburgh then extended them to include a lovely kitchen garden.

See pg. 30

Sandringham

Sandringham House was built in 1870 by the Prince and Princess of Wales, who later became Edward VII and Queen Alexandra, and has been passed down through subsequent generations. There is a vast collection of items

to be seen, many of which have been gifts bought by members of Russian and European royalty as well as many articles the previous monarchs have collected. There are numerous family portraits and a fascinating collection of oriental armour too. **See pg. 52 & 53**

St Ninian's Isle

Highlights of Orkney & Shetland

6 DAYS from \$2,655 | ACTIVITY RATING:

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Forfar, Stonehaven, Aberdeen

Sail away to lands steeped in history, wildlife and stunning scenery – the Orkney and Shetland isles. Many people have landed there before us, some as early as 3000 BC. Most famous of all were the Vikings, but they were not alone and all around you historical treasures can be found. Both Orkney and Shetland have their own identities - Orkney is green and fertile, while Shetland has rugged cliff and sea loch landscapes. However, both share a colourful history of Picts, Norsemen, ancient antiquities and seafaring legends – bound together with an independent spirit that sets them apart from the rest of Scotland. We sail with Serco Northlink Ferries aboard their modern, purpose-built vessels overnight from Aberdeen to Lerwick, and then there are two full days to tour Shetland. After rejoining the ship for an evening sailing to Kirkwall, we have two days to explore Orkney.

Day 1 We depart from our designated pick-up points for Aberdeen and take the overnight ferry to Lerwick. *(D)*

Day 2 We leave the ship after breakfast and start our **Shetland** tour. Our first stop is **Sumburgh Head** with its RSPB reserve and then onto the Prehistoric and Norse Settlement of **Jarlshof**. Over three acres of remains are here, spanning 3,000 years since the days of the Stone Age, including Bronze Age houses, Iron Age broch and wheel houses, Viking long houses and medieval farmhouses. We then continue to **Scalloway**, the former capital of Shetland, where we see the ruined castle. *(B, D)*

Day 3 Our day starts at the spectacular **cliffs of Eshaness** and the narrow isthmus known as **Mavis Grind**. This remarkable location is often referred to as the place where the Atlantic Ocean meets the North Sea, offering stunning views and a chance to witness the unique geological formations shaped by millennia of erosion. Afterwards, we head to **Lerwick**, a charming town with its narrow lanes, unique shops and historical landmarks such as Fort Charlotte. The waterfront area is particularly picturesque, offering stunning views and a chance to observe local fishing boats and wildlife. Later, we take the evening sailing to Kirkwall, with dinner

served on board. On arrival, we transfer to our hotel. *(B, D)*

Day 4 This morning we have a full day excursion of west mainland **Orkney** visiting the **Heart of Neolithic Orkney – World Heritage Sites**. We begin at **Maeshowe**, the finest chambered tomb in Western Europe. Built before 2700 BC. Maeshowe was raided by Vikings in the 12th Century. It thus houses the largest collection of runic inscriptions to be found in any one place in the world. We shall also visit the **Standing Stones of Stenness**, with the adjacent Neolithic village of **Barnhouse**, before continuing to **Skara Brae**, with its new visitor centre depicting the history of this world famous monument and **Skaill House**, a fascinating architectural medley to the side of Skara Brae. *(B, D)*

Day 5 This morning, we have free time to explore **Kirkwall**. Later, we tour the south end of Orkney, crossing the **Churchill Barriers** and visiting the charming **Italian Chapel**, which was built on a former prisoner of war camp. *(B, D)*

Day 6 After breakfast we catch the ferry from Stromness back to the mainland. From here, we return to our original pick-up points. *(B)*

Inc. meals: B: Breakfast, D: Dinner

Orkney & Shetland by Air

5 DAYS from \$3,075 | ACTIVITY RATING:

DEPARTURE POINTS: Aberdeen or Edinburgh

You asked and we answered! As it's a long way by road and sea, we have launched this alternative itinerary that explores the glorious and wild Orkney and Shetland Isles by air. Over five memorable days, we will explore lands steeped in history, wildlife and stunning scenery, far from the jostling crowds as we lose ourselves in the haunting beauty of the Orkney and Shetland Isles.

Many people have landed there before you - some as early as 3000 BC. Most famous of all were the Vikings, but they were not alone and all around you will find historical treasures. Both islands, but particularly Shetland, in summer have virtually no darkness and the beauty of this 'Simmer Dim', as it is called locally, has to be seen to be realised.

Day 1 We depart this morning on a flight from Aberdeen or Edinburgh to Sumburgh. On arrival we will transfer to **Sumburgh Head**, where the North Sea meets the Atlantic Ocean. The cliffs here are quite spectacular and home to an RSPB reserve. We will then visit the outstanding Prehistoric and Norse Settlement of **Jarlshof**, spanning 3,000 years since the days of the Stone Age. This afternoon we will transfer to **Scalloway**, the former capital of Shetland where we see the ruined castle built in 1600 by the infamous Earl Patrick Stewart. We then continue north to the spectacular **cliffs of Eshaness** - look out for the 'Otters Crossing' sign at the narrow isthmus known as Mavis Grind. *(D)*

Day 2 After breakfast, we will head to the island's capital town of **Lerwick**, where we enjoy some free time. You may wish to visit the state of the art Shetland Museum. Later, we will travel through small local communities until we reach Sandwick, where we will cross as foot passengers on the ferry over to the little island of **Mousa**, where we will visit the 2,000 year old iron age **broch**. *(B, D)*

Day 3 Today we depart from Sumburgh Airport to **Kirkwall**. On arrival, we will depart on a tour of the south end of **mainland Orkney**, crossing the **Churchill Barriers** which were built

after the sinking of HMS Royal Oak in October 1939. We also stop off at the beautiful **Italian Chapel**, built on the site of a former prisoner of war camp. We then return to Kirkwall, the capital of Orkney, where we have free time to explore at leisure. *(B, D)*

Day 4 This morning after breakfast, we have an all day excursion of west mainland Orkney visiting the **Heart of Neolithic Orkney – World Heritage Sites**. We begin at **Maeshowe**, the finest chambered tomb in Western Europe. Built before 2700 BC. Maeshowe was raided by Vikings in the 12th Century. It thus houses the largest collection of runic inscriptions to be found in any one place in the world. We shall also visit the **Standing Stones of Stenness**, with the adjacent Neolithic village of **Barnhouse**, before continuing to **Skara Brae**, with its new visitor centre depicting the history of this world famous monument and **Skaill House**, a fascinating architectural medley to the side of Skara Brae. *(B, D)*

Day 5 After breakfast we transfer to Kirkwall Airport where we will take the flight back to Aberdeen or Edinburgh. *(B)*

Inc. meals: B: Breakfast, D: Dinner

Key Highlights

5 DAYS from \$2,165 | ACTIVITY RATING:

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Forfar, Stonehaven, Aberdeen

If you want to get away from it all, Shetland is the place to be. As close to Norway as it is to Scotland, Shetland is rugged and remote, with a raw natural beauty, a unique culture and wonderful wildlife. There are over a hundred islands here, only 16 of which are inhabited, each with its own individual character, and our tour offers the opportunity to visit four of them, providing a real taste of the diversity of this amazing archipelago, not to mention the simple pleasure of travelling by boats, both large and small, as the indomitable inhabitants of these islands have done for hundreds of years. We visit the little island of Mousa, whose Iron Age broch is the best-preserved example anywhere in the world, the Shetland Croft House Museum which gives an insight into a typical 19th century croft, while Jarlshof provides a unique archaeological time-capsule, spanning 3000 years of successive settlements. Finally we have a tour of the northernmost islands of Yell and Unst, a day of stunning seascapes and air so fresh it takes your breath away.

Day 1 We depart from our designated pick-up points and travel to Aberdeen. From here, we sail overnight to Lerwick. *(D)*

In the afternoon, we cross to **Mousa** to see its 2,000-year-old broch, the best-preserved globally. Later, we head to our hotel for dinner. *(B, D)*

Day 3 After breakfast, we tour the northern isles of **Yell** and **Unst**. Travelling via **Tingwall** and **Girgsta**, we pass Sullom Voe. A short ferry takes us to Yell and onward to Unst, where highlights include **Muness Castle** and views from **Saxa Vord Hill**, the UK's northernmost accessible point by coach. We return via East Yell and Burrae for dinner at our hotel. *(B, D)*

Day 4 After breakfast, we check out and visit **St Ninian's Isle**, known for its ancient church and the 9th-century silver treasure hidden from Viking raiders. In **Scalloway**, Shetland's former capital, we explore its ruined castle built in 1600. After lunch *(not included)*, we pass Tingwall Valley, the old Norse parliament site, before returning to Lerwick for free time in the historic town. Later, we re-board the Northlink ferry for the overnight return to Aberdeen with dinner on board. *(B, D)*

Jarlshof

An Archaeologist's View of Orkney and Shetland

6 DAYS from \$2,655 | ACTIVITY RATING:

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Forfar, Stonehaven, Aberdeen

The islands of Orkney and Shetland are littered with archaeological remains. People first came here over 5,000 years ago and many of their remains survive. Research is ongoing here and excavations by archaeologists continue to uncover new information. The islands are therefore of enormous interest to anyone who enjoys first-hand contact with ancient settlements and buildings as well as the people who once lived here.

During our time on Shetland we will visit the uninhabited island of Mousa with its 2,000-year-old full size broch, the Prehistoric and Norse Settlement of Jarlshof; St. Ninian's Isle with its 6th century church and the ruined castle of Scalloway. We then travel to Orkney where we visit the Italian Chapel and the Churchill Barriers; Maeshowe, the finest chambered tomb in Western Europe; the stone circles of Stenness and Brodgar and the famous site at Skara Brae as well as Skail House. En route to Aberdeen, we will stop for a photo opportunity at Dunnottar Castle, a clifftop fortress dating back to the 3rd century.

Day 1 We depart from our designated pick-up points and head for Aberdeen. We will stop for a photo opportunity at **Dunnottar Castle**, a dramatic ruined clifftop fortress, before taking the overnight ferry to Lerwick. *(D)*

Finally, we stop at the nearby cliffs at **Sumburgh Head**, an RSPB reserve renowned for the seabirds that reside here. *(B, D)*

Day 3 Our first visit of the day is to **St. Ninian's Isle** and its church dating from the 6th century when Christianity first came to Shetland. We return to **Scalloway** to see the ruined castle before continuing through the **Tingwall Valley**, the site of the old Norse parliament. *(B, D)*

Day 4 We tour the southern end of Orkney Mainland with visits to the **Churchill Barriers** and the **Italian Chapel**, built on the site of a former prisoner of war camp. Several hundred Italians, captured during the North African campaign of World War II were sent here to work on the Causeways and converted two huts into a chapel. Later, we return to **Kirkwall** for some free time and a chance to visit the architectural masterpiece of St. Magnus Cathedral. *(B, D)*

Day 5 Today we head west into the **Heart of Neolithic Orkney**, where we find some of the most impressive and important archaeological sites in Europe, including the mysterious stone circles at **Stenness and Brodgar**, the chambered tomb at **Maeshowe** and the famous stone age village of **Skara Brae**. *(B, D)*

Fireworks burst overhead, brass bands strike up and the night sky glows against the winter dark. This is Up Helly Aa, Shetland's extraordinary fire festival, marking the lengthening days and the turning of the year. Entirely run by locals yet welcoming to visitors, it's a celebration of heritage, community spirit and Shetland's wild winter beauty.

A Grand Tour of the Outer Hebrides

5 DAYS from \$1,815 | ACTIVITY RATING:

PICK-UP POINTS: Dundee, Perth, Kinross, Dunfermline, Edinburgh, Glasgow

Our best-selling grand tour takes in all the beauty and diversity of the Outer Hebrides. Numerous islands and travel by local ferry offers great variety and the sense of a true journey of discovery which will live long in the memory.

Our odyssey begins as we travel north via the Highlands to Ullapool and take the ferry to Stornoway. A captivating journey follows as we travel through the magnificent mountain scenery of Harris, the rolling moorland of Lewis, visiting the Standing Stones of Callanish (*the main Callanish site will be closed until early 2026 and we will visit the nearby smaller circles instead if Calanais I has not reopened), the tranquil little Norse Mill and the distinctive Black Houses at Gearrannan.

From here we take the ferry to North Uist and cross the causeway to the Isle of Benbecula the ‘stepping stone’ between the Uists, before visiting the islands of Eriskay, Vatersay and Barra.

Day 1 We depart from our designated pick-up points and head north, stopping en-route for refreshments. We continue to Ullapool in time to catch the early evening Caledonian MacBrayne ferry to Stornoway. On arrival in Lewis we will transfer the short distance to our comfortable accommodation in Stornoway. (D)

Day 2 This morning after breakfast we travel to the west coast of Lewis for a visit to **Calanais II**, an impressive site comprising of five standing stones and two fallen stones, forming an oval. A further, shorter stone lies pointing towards the centre. There may originally have been more stones in the ‘circle’. Its diameter of nearly 20 metres makes it almost twice as big as the circle at Calanais I (which is around 11–12m across). Inside the ‘circle’ is a low round cairn that was probably a later addition; it will have contained a burial chamber, but it has been badly damaged. When peat was first cleared away from this monument, shortly after 1857, people

Croft on Isle of Lewis

found traces of pebbles that had probably supported upright wooden posts inside the ‘circle’.

Please note that primary Callanish Standing Stones site (*Calanais I*) is currently completely closed due to a major redevelopment of the visitor centre taking place until Spring 2026. The entire site is closed for construction during this time. Should the site be reopened, we will visit Calanais I instead.

From here we move on to the **Black Houses** at **Gearannan**, typical of the crofting settlements which until relatively recently were found throughout the Western Isles. Lunch will be available here (*not included*). The final visit on our circular tour is the **Norse Mill** at **Shawbost**, a reconstruction of the type of grain mill used originally by Viking settlers and by islanders up until the 1930s. A short walk past a small lochan leads to two beautifully restored little thatched buildings with a fine view to the ocean beyond. We then return to our hotel where dinner will be served in the evening. (B,D)

Day 3 After breakfast, we check out of the hotel and travel south to **Harris**, which in contrast to the rolling moorland of Lewis is more mountainous – this is apparent within minutes of crossing the ‘border’ into Harris with a magnificent mountain vista to the right as the road climbs over the hill. There are further outstanding views as we travel along the coast, including the island of Taransay of ‘Castaway’ fame and the wonderful beaches at Horgabost, Borge and Scarasta. Continuing to the southern end of Harris we visit **St Clement’s Church** at Rodel, built on top of an earlier structure in the 16th century by Alasdair Crotach, 8th chief of the Macleods of Harris and Dun Bheagan. The church tombs are among the most spectacular in Scotland. We then take the ferry from Leverburgh to Berneray on North Uist, and continue over a series of causeways (*keeping a careful eye out for otters*) to Benbecula, the ‘stepping stone’ between the Uists. Here we check in to our comfortable accommodation, where dinner will be served in the evening. (B,D)

Day 4 This morning following breakfast we depart for **Barra**, travelling via the little island of **Eriskay**, just three miles long and two miles wide, with a great sandy beach known as Prince Charlie’s Bay — Bonnie Prince Charlie having landed here in July 1745. From Eriskay we take the mid morning ferry to Barra and have a tour of the island. Please note that Kisimul Castle is currently closed for conservation work but we are able to view it from the shore.

We visit **Cockleshell Beach**, the unique runway whose use is governed by the tides. When approaching the airport keep an eye out to the left for the much-loved former home of Sir Compton Mackenzie, the author of ‘Whisky Galore’, which is forever associated with the island. A little further on from the airport we will see St Barr’s Chapel and visit Sir Compton Mackenzie’s grave. In fact, it was on the neighbouring island of **Vatersay**, which we visit by means of the causeway linking the two islands, that the classic film adaptation was made. On the way to Vatersay, we will see a war memorial to the crew of a Catalina aircraft that crashed in 1944 while on the island itself, and at a beautiful location overlooking a wide sandy beach, we see a monument to the emigrant ship Annie Jane which was wrecked here in 1853 on a voyage to Quebec. During our tour today we also hope to see some of the hundreds of species of wildflowers that grow on the island, particularly on the machair, the fertile, grassy pastures that lie between the moorland and the sea. (B,D)

Day 5 This morning we check out of the hotel and take the Caledonian MacBrayne ferry from Lochmaddy to Uig in Skye. Breakfast is served on board. We then continue our homeward journey, arriving back at our original pick-up points during the evening. (B)

Inc. meals: B: Breakfast, D: Dinner

Gordon Castle & Gardens of the East Highlands

4 DAYS from \$1,255 | ACTIVITY RATING:

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth

The spectacular gardens and landscapes of the East Highlands await on this special break. Highlights include the UK's most northerly botanic gardens at Inverness, the beautiful lawns, wildflower meadows and walled garden of the fairytale Aldourie Castle Gardens on the banks of Loch Ness, and of course, the wonderful Gordon Castle Gardens. RHS Regional Partner Garden of the Year 2024 and one of Britain's largest kitchen gardens, this historic treasure has been restored to its Victorian and Edwardian heyday and offers the perfect spot for our included afternoon tea.

Day 1 We depart from our designated pick-up points and head for our first visit, **Branklyn Garden**, a haven of peace and colour on the outskirts of Perth. Begun in 1922, on a south-facing slope with acid soil, the garden represents a wonderful collection of woodland plants along the winding paths. Afterwards, we continue northwards to our hotel on the north side of the stunning **Cairngorms National Park**, the largest National Park in Britain. *(D)*

Day 2 This morning we visit **Aldourie Castle Gardens**, nestled in a private 500-acre estate in a picturesque lochside setting and a lovely blend of formal and informal landscaping. Highlights include a peaceful walled garden, pretty wildflower meadows, vegetable-filled glasshouses and beautiful lawns surrounded by a wide variety of ancient trees, with views out to Loch Ness.

In the afternoon, we discover the enchanting **Inverness Botanic Gardens**, a hidden treasure in the heart of the city. Wander through the tropical house and cactus house, soak in the serene ambience and admire the formal gardens and wildflower meadows that create a beautiful range of colours. *(B, D)*

Day 3 Today we make our way to the charming **Ruthven Cottage Hardy Plant Nursery**, home to a stunning array of herbaceous borders,

along with a peaceful pond, greenhouse and free-roaming chickens! Emphasising a naturalistic style of planting, many of the hardy perennials, shrubs and climbers we see are sold at the nursery here.

We continue to the real highlight of our break, **Gordon Castle Gardens**, Historic House's Garden of the Year 2021, the RHS Regional Partner Garden of the Year 2024 and one of Scotland's best-kept secrets. The eight-acre restored walled garden is now one of Britain's oldest and largest kitchen gardens, brought back to life by world-famous designer Arne Maynard. Enclosed within the ancient walls is a range of herbs, cut flowers, fruit and vegetables, creating beautiful colours and a sense of tranquillity all year round. It's a charming spot for our included **afternoon tea**. *(B, AT, D)*

Day 4 After breakfast, we check out of our hotel and make our way to the splendid formal gardens of **Drummond Castle**. The gardens we see today were replanted during the 1950s, preserving features such as the ancient yew hedges and the copper beech trees planted by Queen Victoria to commemorate her visit in 1842. The garden was principally the work of Lewis Kennedy of Vineyard Nursery in Hammersmith, who supplied plants to many of Britain's finest gardens. Later, we continue back to our original pick-up points. *(B)*

Dunrobin Castle

Grand Tour of the Gardens of Scotland

11 DAYS from \$4,195 | ACTIVITY RATING:

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth

Our Grand Tour of Scotland’s finest gardens takes us from the open spaces of the far north to the wilds of the west; from the splendours of the south to the elegance of the east. The range of gardens is equally diverse, from the peace and calm of Malleny Garden in Edinburgh to the windy hilltop and lavish planting of Glenwhan, from the sub-tropical exoticism of Logan Botanic Gardens to the homely and traditional Castle and former home of Her Majesty the late Queen Mother.

We begin at Branklyn and Cluny gardens in Perthshire before driving along the ‘backbone’ of Scotland to Inverness. From here we strike out north to castles Dunrobin and Mey and west to Dundonnell and Inverewe, undoubtedly one of the highlights of the tour. Travelling through the Great Glen we savour the peace and quiet of the West Highlands, where the mild, damp climate, influenced by the Gulf Stream, promotes luxuriant growth in tranquil gardens such as Ardchattan, Arduaine and An Cala.

Moving south and west into Dumfries and Galloway we see more lush planting, with exotic plants from around the world flourishing in this mild climate. Then we move on into the softer, more rounded landscapes of the Border country to see two marvellous gardens before we come full circle back to Edinburgh and conclude in the distinguished surroundings of the Royal Botanic Gardens. From spectacular, show-stopping sites to the hidden gems found within private grounds, this unmissable tour showcases the variety of Scotland’s best gardens.

We return to the hotel via **Loch Maree** and **Achnasheen**. (B, D)

Scenic Scottish Railways

4 DAYS from \$1,325 | ACTIVITY RATING: 🌿

 DEPARTURE POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth

The north of Scotland is blessed with some wonderfully scenic railway lines. The challenge of building railways through difficult terrain was taken up by the great engineers of the Victorian age. Their legacy is in the sweeping curves and majestic viaducts of the single track lines which cross wild moors and lonely glens. Highlights on this short break include a visit to the much-photographed Eilean Donan Castle, a ride aboard the Jacobite steam train that takes us over the iconic Glenfinnan Viaduct and a visit to Boat of Garten on the Strathspey Line, which you may recognise from the BBC series, Monarch of the Glen.

Day 1 We depart from our designated pick-up points and travel by coach to Aviemore for a return trip on the **Strathspey Railway**. Our train of maroon-liveried coaches will be hauled by a lovingly restored steam locomotive as we travel to Boat of Garten and Broomhill, with the Cairngorm Mountains providing a scenic backdrop. We continue our journey by coach to our hotel. (D)

Day 2 We transfer to **Inverness** and board the morning diesel train service to **Wick**. The line takes us along the shores of the **Cromarty** and **Dornoch Firths** and follows the spectacular coastline as far as **Helmsdale**, where it turns inland before reaching the terminus at **Wick**. We re-join our coach and return to our hotel by the more direct but equally scenic coastal route. (B, D)

Day 3 We depart by diesel train from Inverness, this time heading for **Kyle of Lochalsh**, travelling over what is often considered to be the most scenic of all of Scotland's railway lines. In the afternoon we explore the iconic 13th century castle of **Eilean Donan**, with its impossibly romantic setting on Loch Duich. (B, D)

Day 4 Today we travel to Fort William, where we join **'The Jacobite'** steam train and experience one of the most memorable and spectacular railway journeys in the world, crossing the famous **Glenfinnan Viaduct** as we steam on a return trip to **Mallaig**. After some free time and an opportunity for lunch (not included) in Mallaig, we return on the train to Fort William. We then return by coach to our original pick-up points. (B)

Steam locomotion has an enduring fascination for many of us and combined with the wonderful scenery of Scotland it becomes utterly irresistible. We also enjoy a taste of steam as we cruise aboard the newly restored SS Sir Walter Scott on the calm waters of Loch Katrine amid the spectacular scenery of the Trossachs. There are two more boat trips to enjoy as we cruise on Loch Lomond, with tales of Rob Roy MacGregor and other local legends, and take a ride on the Falkirk Wheel, the world's first rotating boat lift and a modern engineering marvel. Back on dry land we visit historic Inveraray Castle, home to the Dukes of Argyll, set in beautiful grounds on the shore of Loch Fyne.

GARDENS

RHS Rosemoor

Gardens of Southern England and The RHS Chelsea Flower Show

12 DAYS from \$4,195 | ACTIVITY RATING: 🌸🌸🌸

 PICK-UP POINT: London

This crème de la crème of springtime tours combines the colour and excitement of the iconic RHS Chelsea Flower Show with some of Southern England’s finest gardens, providing the opportunity to enjoy a wide range of horticultural excellence. Our journey takes us through Cornwall, Devon, Somerset, Hampshire, Surrey and Kent, exploring several hidden gems alongside world-famous gardens. A few highlights include an early-bird discovery of Sissinghurst, as close to gardening perfection as you can get, a guided tour of Hestercombe Gardens, one of Gertrude Jekyll and Sir Edwin Lutyens’ greatest masterpieces, and an extended visit to RHS Garden Wisley with its vast display of expertly curated delights. Around every corner lies another surprise on this delightful tour: expect contemporary sculptures, medieval layouts contrasted with innovative designs, Japanese-style features, sub-tropical plants, stunning terraces, peaceful lakes and beautiful seasonal blooms such as azaleas, peonies, wisteria and rhododendrons.

Day 1 We depart from our pick-up point and head to **Heale House Gardens**, a charming garden blending Edwardian and Tudor styles, designed by Harold Peto. Nestled within historic Heale House estate, largely unchanged since King Charles II hid there in 1651, these eight acres feature a walled garden, a Japanese water garden, an authentic Japanese tea house, and the iconic red Nikko bridge. *(D)*

Day 2 After breakfast, we visit **Tremenheere Sculpture Garden**, a 22-acre sub-tropical garden offering stunning views of St Michael’s Mount. Opened in 2012, it showcases contemporary art, ceramics, and sculptures by renowned artists such as David Nash RA and James Turrell RA.

Next, we explore **Godolphin Gardens**, one of Cornwall’s most significant medieval gardens, listed as Grade II on the national Register of Parks and Gardens. Godolphin’s historical role in Cornwall’s mining heritage is fascinating. Its grounds include a medieval garden, the Piggery tea room, Grade II listed farm buildings, and 500 acres of picturesque countryside. *(B, D)*

Day 3 This morning, we visit the privately-owned **Lamorran House** garden on the Roseland peninsula. Designed in an Italianate style with Japanese influences, the garden is divided into unique compartments, creating an air of discovery.

In the afternoon, we head to **Trelissick**, a modern garden evolving within shelter belts planted two centuries ago. Innovations here include sustainable water management and energy systems. Visitors

Heale House Garden

enjoy formal lawns, vibrant herbaceous borders, exotic plants, and scenic views of the River Fal. *(B, D)*

Day 4 We start at **Wildside Garden**, located near Dartmoor. Keith Wiley has cultivated this innovative garden over 25 years, transporting visitors to landscapes resembling Utah’s ochre cliffs, South Africa’s Namaqualand, and the Mediterranean. At this time of year, azaleas, Japanese maples, Rodgersias, wisterias, and irises are in bloom.

In the afternoon, we explore **The Garden House**, a romantic garden built around 16th-century ruins. Located on Dartmoor’s fringes, its terraces offer lovely views of the garden and countryside. Clematis and roses climb the old walls, adding richness to this horticultural treasure. *(B, D)*

West Green House

Day 5 Today, we visit **RHS Rosemoor**, where formal gardens blend seamlessly with naturalistic plantings. On our **guided tour**, we explore two gardens: a woodland garden from the 1960s, home to acid-loving trees and shrubs, and a more ambitious garden developed by the RHS since 1988, featuring rose gardens, giant borders, and a Mediterranean garden. We return to our hotel for dinner afterwards. *(B, D)*

Day 6 Join our optional excursion to **Fursdon House**, a countryside estate with 750 years of history. During our **guided tour** of the house, we learn about its transformation from a cob and thatch dwelling to a Georgian manor. The four-acre gardens blend beautifully with parkland and offer views of Dartmoor. Highlights include the Fox Garden, Vine Pavilion, and Meadow Garden.

Later, we visit **Exeter** for free time. Attractions include the cathedral, antique shops, art exhibitions, and the cobbled quayside, ideal for a canal-side stroll. *(B, D)*

Day 7 After breakfast, we embark on a **guided tour of Hestercombe**, a remarkable masterpiece by Gertrude Jekyll and Sir Edwin Lutyens. This garden features a round pool within a round-walled garden filled with wintersweet and roses, alongside a Dutch garden showcasing lamb’s ears, lavender, and the charming orangery.

Next, we visit the stunning **Bishop’s Palace**, a medieval residence that has housed the Bishops of Bath and Wells for 800 years. Founded in the early 13th century by Bishop Jocelin Trotman, it boasts 14 acres of gardens, including the serene well pools from which the city derives its name. We also enjoy free time in **Wells** to explore its breathtaking cathedral and distinctive architecture. *(B, D)*

Day 8 In the morning, we head to **East Lambrook Manor**, celebrated globally as the ‘Home of English Cottage Gardening’. Created in the mid-20th century by gardening icon Margery Fish, her informal planting style harmonised everyday plants with rare species, showcasing colour, texture, and form. Admire Capability Brown’s Georgian landscapes and discover the Rothschild family’s unparalleled contributions to art and architecture on this enriching and memorable experience.

Day 1 We begin our journey from central London, travelling to the **Natural History Museum Tring**. Once the private museum of Lionel Walter, 2nd Baron Rothschild, it lies on the Rothschild family’s Tring Park estate. The Zebra Café showcases Lord Rothschild’s fascination with zebras, including images of his trained zebras pulling carriages. Before dinner, expert guide **Nicholas Merchant** gives a short talk on the Rothschilds’ local ties. (D)

Over time, Brown created a stunning Georgian landscape of valleys, lakes, rivers, and over 30 temples and monuments designed by prominent 18th-century architects. Recent restoration efforts have revitalised many garden buildings and thousands of shrubs and trees have been planted. (B, D)

Day 3 Our morning starts at the **Rothschild Foundation at Windmill Hill**, which continues the Rothschild tradition of architectural

Highgrove and the Cotswolds

4 DAYS from \$1,395 | ACTIVITY RATING:

PICK-UP POINTS: London, Reading, Swindon, Bristol

Our tour of the Cotswolds features an exclusive visit to Highgrove House, the country home of His Majesty The King. This will be a rare opportunity to see these fascinating gardens, which, of course, are cultivated using wholly organic methods.

Some of the finest gardens in England are to be found nestled among the green and rolling hills of Gloucestershire. Our tour begins at the Arts and Crafts house of Rodmorton Manor, whose fine garden comprises a series of ‘outdoor rooms’. Hidcote Manor’s contrasting garden rooms are one of the most impressive sights in England and Kiftsgate’s splendid views are justly famous. We also visit Painswick Rococo Garden, a recreation of a pleasure ground from the early 18th century and finally Westonbirt, the National Arboretum.

Day 1 We depart from our designated pick-up points and head for **Rodmorton Manor**, an ‘Arts and Crafts’ house with a fine eight-acre garden comprising a series of ‘outdoor rooms’, each with its own distinctive character. The architect Ernest Barnsley started Rodmorton in 1909 and it became a shrine to the Cotswolds crafts movement. The grey gabled house has an intricate garden of lively atmosphere, formal in spirit but with a cottage garden feel to it. There are superb vistas throughout and plenty of places to sit and admire the surroundings. (D)

Day 2 More garden rooms feature today as we visit **Hidcote Manor**, an outstanding garden of dramatic contrasts and carefully framed vistas. It was started before World War I by an American, Major Lawrence Johnston, who devised a type of garden that many think of as quintessentially English. Although among the best-known gardens in Britain, Hidcote Manor still has the power to startle. We continue to **Kiftsgate Court**, which offers an admirable selection of plants and flowers, not least of which is the well-known rambling rose *R. filipes* ‘Kiftsgate’. The house is surrounded by a series of enclosed gardens, whose formality is blurred by generous planting. (B, D)

Day 3 This morning we explore **Highgrove**, the country home of His Majesty The King. This will be a rare opportunity to see these fascinating gardens which of course are cultivated using wholly organic methods. Following our tour we enjoy **lunch in The Orchard Room**, an elegant dining room overlooking the Orchard Terrace. In the afternoon we visit **Painswick Rococo Garden**, a pleasure ground created in the decadent and fun loving early 18th century, where follies nestle in a hidden valley surrounded by magnificent Cotswolds views. Using a painting, by Thomas Robins in 1748, the garden is being fully restored to its eighteenth century character. Its main features are rococo buildings, woodland walks and well-planned vistas. (B, L, D)

Day 4 We conclude among the sylvan delights of **Westonbirt**, the **National Arboretum**, which is perhaps the most important and widely known arboretum in the United Kingdom. It comprises some 18,000 trees and shrubs, over an area of approximately 600 acres. There are numerous ‘champion’ trees including rare magnolias, tree rhododendrons and maples as well as a wide variety of smaller trees and shrubs. We then return to our original pick-up points. (B)

The Mary Rose: A Tudor Tale

4 DAYS from \$1,255 | ACTIVITY RATING:

PICK-UP POINT: London

The raising of Henry VIII’s flagship the Mary Rose was one of the most complex and expensive maritime salvage projects in history and the surviving section of the ship and thousands of recovered artefacts are of great value as a Tudor period time capsule. Today the museum which houses her, rebuilt in 2013, is one of the foremost visitor attractions on the south coast and forms the centrepiece of this new tour which takes in a series of properties associated with the great Tudor age.

Day 1 We depart by coach from our central London pick-up point and head for a visit to **Hampton Court Palace**. The building of the palace began in 1514 for Cardinal Thomas Wolsey, the chief minister of Henry VIII. In 1529, as Wolsey fell from favour, the cardinal gave the palace to the king to check his disgrace. The palace went on to become one of Henry’s most favoured residences; soon after acquiring the property, he arranged for it to be enlarged so it could accommodate his sizeable retinue of courtiers. In later years, it was much extended, in various architectural styles, but at its heart, it remains Tudor, and symbolic of the enormous power that dynasty wielded. (D)

Day 2 After breakfast, we head for Portsmouth to visit the **Historic Dockyard**, home to the **Mary Rose**. Built between 1510-1511 she was for many years Henry VIII’s favourite warship, fast, well-armed and successful. The raising of the Mary Rose and her subsequent restoration was a remarkable achievement, while the collection of some 19,700 genuine Tudor artefacts is unparalleled and provides an invaluable insight into 16th-century life. Our visit begins with an **exclusive one-hour talk** on the relationship between Henry VIII and the Mary Rose. We then enjoy a **live tour** of the museum by a knowledgeable member of the Mary Rose team. There will then be free time for lunch (not included) and should you wish, there will

be an opportunity to view the adjacent HMS Victory, the Royal Navy’s most famous warship (admission not included). (B, D)

Day 3 This morning, we head along the south coast to the Sussex town of Lewes where we find **Anne of Cleves House**. This stunning timber framed medieval house was given to Anne, the fourth wife of Henry VIII, at the end of her short-lived marriage, although she never lived there. Nevertheless, it provides great insight into the Tudor period with well-preserved interiors including a Tudor kitchen, a light and airy parlour and a beautiful bedroom complete with four poster bed.

Next, we visit **Arundel Castle**, home to the Dukes of Norfolk and their ancestors since its founding in the 11th century. In the Tudor period these included Lord Howard of Effingham, the Earl of Surrey and the 3rd Duke of Norfolk, uncle of Anne Boleyn and Catherine Howard. (B, D)

Day 4 Following breakfast, we depart for **Hever Castle and Gardens** which was once the childhood home of Anne Boleyn. We have plenty of time to explore the castle with over 600 years of history. It formed the unlikely backdrop to a sequence of tumultuous events that changed the course of Britain’s history, monarchy and religion. (B)

6 DAYS from \$3,495 | ACTIVITY RATING:

DEPARTURE POINT: Land's End Airport

The Isles of Scilly have been described as ‘the most fortunate of all the islands around Britain’s coasts with clean seas and beaches, wonderful scenery, welcoming inhabitants and temperate climates’.

The wonderful Abbey Gardens on the island of Tresco are home to more than 3,000 species and magnificent vistas, colours and scents. Other highlights include a Pelagic boat excursion to the Western Rocks and Bishop Rock Lighthouse with local bird expert Will Wagstaff; a guided tour at a local flower farm on the island of St Martins, who were the first to pioneer sending flowers by post.

Day 1 Travel independently to Penzance. We will meet at Land's End airport in time for your flight to the **Scillies**, which only takes 15 minutes. On arrival you will be met and transferred to the **St Mary's Hall Hotel**. Dinner will be served in the evening after which we will have a **special talk from our tour manager Mike Nelhams, Curator of the Abbey Gardens**. (D)

Day 2 Today we enjoy a private tour of **St Mary's Island** with a chance to stop at a selection of view points with commentary about island life along the way. Day 4 This morning, we depart for **St Martins**. On arrival we make our way to **Scilly Flowers Farm** for a **guided tour**. Here we learn about this

small family run farm that was among the first to pioneer sending flowers by first class post. Tresco Abbey Gardens

Tresco

Great Gardens of Cornwall in the Company of Mike Nelhams

5 DAYS from \$2,935 | ACTIVITY RATING:

DEPARTURE POINT: London Paddington

With the help of Mike Nelhams, Curator of Tresco's Abbey Gardens and a long-standing friend of Brightwater Holidays, we have created this very special tour of Cornwall, featuring not only the gardens but the personalities behind them. These include Sir Tim Smit, the driving force behind both the Lost Gardens of Heligan and the Eden Project, and Charles Williams of Caerhays Castle. At our base in the comfortable Alverton Hotel, Truro, our tour begins with a presentation from Mike Nelhams on the great Gardens of Cornwall.

Over the following three days we will see the gardens for ourselves, beginning with a tour of the Lost Gardens of Heligan where we also hope for a personal introduction from Sir Tim Smit. We also enjoy a visit to the wonderful gardens of Caerhays Castle, which includes lunch and we hope to be welcomed by the owner Charles Williams. After an exciting day on Tresco and a tour of the outstanding Abbey Gardens led by Mike himself, our tour concludes with a visit to the private garden of Lamorran House and a tour of the unique Tregothnan Tea Plantation.

Day 1 We depart by train from London Paddington for Truro and continue by coach to our hotel. Before dinner, our guide **Mike Nelhams** gives us a presentation on his favourite Cornish gardens. (D)

Day 2 We begin with a visit to the **Lost Gardens of Heligan**, where we hope to be welcomed by Sir Tim Smit who 'discovered' and restored the gardens to their former glory. We are joined by a member of the gardening team for a tour of the gardens.

Later we transfer to **Caerhays Castle**, where we hope to be welcomed by Charles Williams, whose family have owned Caerhays since the mid-19th century. After **lunch in the castle** we enjoy a **guided tour** of the garden with a member of the family. (B, L, D)

Day 3 We transfer to Penzance and take a helicopter flight to **Tresco**, where Mike takes us on a personal guided tour of the **Abbey Garden**, without doubt one of the most stunning gardens in the British Isles. Caressed by the Gulf Stream, the exceptionally mild climate allows a wide range of exotic, sub-tropical plants to thrive here. (B, D)

Day 4 This morning we depart for a visit to the privately-owned garden of **Lamorran House**, which has been designed by the owner in an Italianate style, although there are also Japanese influences here. Many features are included to divide the garden into intimate compartments which the visitor can explore.

We continue to **Tregothnan Estate**. After **lunch**, we hope to be joined by Managing Director Jonathon Jones for a tour of the unique **Tregothnan Tea Plantation**, which has expanded greatly since the first bushes were planted in 1999. Blessed with the optimum microclimate for growing tea, Tregothnan produces some of the world's rarest and highest rated teas and new varieties are tested all the time. There will of course be an opportunity to taste and buy some of the teas produced here. (B, L, D)

Day 5 Following breakfast, the morning is free to explore **Truro** and perhaps visit the Cathedral. Later, we return by train to London. (B)

Eden Project

Gardens of Cornwall & the 25th Anniversary of the Eden Project

4 DAYS from \$1,675 | ACTIVITY RATING:

DEPARTURE POINT: London Paddington

2026 marks a remarkable anniversary for the Cornish horticultural scene as it marks 25 years since the Eden Project first opened the full site to the public. Since then, it has flourished into not only Cornwall’s premier tourist attraction but into a leading authority on conservation and biodiversity. We enjoy a full day here visiting the unique biomes, walking through the world’s largest indoor rainforests and enjoying the calm fragrance of the Mediterranean.

We also visit some of the other unique gardens that can be found in Cornwall including Trelissick, a beautiful landscape garden with enviable views above the River Fal and Falmouth, Bonython Estate Gardens, a magnificent 20-acre garden home to three lakes and an 18th-century walled garden and Glendurgan, which is set in a woodland valley and was first created the early 19th century by Albert Fox.

Trelissick

Day 1 We depart by train from London Paddington to Truro and continue by coach for our first visit - **Trelissick**, a modern garden which was created within shelter belts planted 200 years ago. The garden is constantly evolving with new planting and fresh ideas. Trelissick has seen trees grow to maturity, the tide ebbing and flowing, but over the course of time it has become a dynamic, forward-looking estate. The iconic Water Tower was built for

Glendurgan

irrigation and fire-control; now the lavatories are flushed with rainwater stored underground in modern reservoirs. Heat is extracted from kitchen appliances and the sun to provide hot water and heating. We later continue to our hotel. *(D)*

Day 2 After breakfast we travel to St Austell where we spend the day at the **Eden Project**, which since its opening in 2001 has become one of Cornwall’s star attractions. The Eden Project is a 50 metre deep, 34 acre china clay pit which was reclaimed and transformed to house two controlled-environment plant conservatories, the larger of which recreates the climate of the Tropics and displays some of its plants such as cotton, rice, rubber, orchids, bamboo and rainforest flowers. At its highest point it reaches 50 metres, taller than Nelson’s Column. The second conservatory recreates a warm temperature climate and houses plants from Southern Africa, the Mediterranean and southwestern America, with orange trees, olives, grape vines and hundreds of colourful flowers. Here we enjoy an **exclusive guided tour** with limited places with one of the members of the horticultural team. *(B, D)*

Day 3 Following breakfast we visit **Bonython**, a courtyard garden which is divided into colourful areas mostly themes of blue, purple, yellow and white. It is home to a collection of perennials and shrubs which change with the seasons and a parterre which is filled with delightful flowers and ornamental vegetables. The banks of Lake Joy have

imaginative and bold displays of South African and Mediterranean plants, and the shores of Lake Sue are equally bright with hot reds toned down by numerous grasses. The whole garden is surrounded by trees and shrubs, and the stream leads down to a woodland dell dotted with wildflowers.

In the afternoon we visit **Tremenheere Sculpture Gardens**, near Penzance. This major attraction opened in September 2012 and is set in a beautiful, sheltered valley, surrounded by woods, a stream and dramatic vistas to provide a perfect setting for this 22-acre sub-tropical and exotic garden. The garden is filled with high quality contemporary art installations from renowned artists such as David Nash RA and James Turrell RA. You will also have the opportunity to visit the Gallery to view paintings, ceramics and sculptures by renowned artists, all available to buy. *(B, D)*

Day 4 Today our final visit is to **Glendurgan**, a place of great beauty and tranquillity. Three valleys converge and drop towards the sparkling waters of the Helford River and the hamlet and beach at Durgan. The garden has many fine trees, rare and exotic plants from the four corners of the globe and provides interest in every season. Look out too for the hedge maze, originally built by the owners in the 1830s to entertain their 12 children. From here we return to Truro rail station for the return journey to London *(B)*

Les Hortillonnages

Gardens of Picardy

7 DAYS from \$2,655 | ACTIVITY RATING:

DEPARTURE POINT: London, Dover

The canalised River Somme, which meanders gently through the countryside of Picardy in north-east France, takes its name from a Celtic word meaning ‘tranquillity’. We will discover why this is so apt as we cruise silently along some 50km of the river aboard our eco-friendly, electrically powered barge. Amidst the convivial conversation, the only sounds to be heard will be the gently lapping water and the birdsong. For the full length of the waterway, there is a well-maintained towpath offering the chance of a walk where the locks are more closely spaced. There will be three half-day cruises in the course of our tour, with the rest of the time spent exploring our host city of Amiens and visiting some of the outstanding gardens of the region.

Day 1 We travel to Dover for a late-morning ferry to Calais, then drive south along the Opal Coast and Bay of the Somme before arriving in Amiens to check into our hotel. *(D)*

Day 2 The day begins at Jardin Moulin Ventin, followed by free time in Beauvais to explore the Cathedral and National Tapestry Gallery. In the afternoon, a visit to the garden of painter André Van Beek awaits. *(B)*

Day 3 Today we cruise through Amiens’ Les Hortillonnages, a maze of island gardens, aboard a 12-person electric boat. By lunchtime, we reach Picquigny and board our barge for a scenic 16km cruise to Long. After mooring, we visit Château de Long. *(B, L)*

Day 4 This morning, we return to Long and rejoin our vessel for a 17km cruise to Abbeville. After Pont-Remy and our final lock, we enjoy lunch as we approach Abbeville, mooring near the railway station. In the afternoon, we visit Gerberoy and explore the terraced gardens of Henri le Sidaner. *(B, L)*

Day 5 We begin our day at the Floral Gardens of Digeon, a Jardin Remarquable, set beside a historic château and farm, these gardens are lovingly maintained by their owners. Afterwards, we return to Picquigny and reboard our cruiser for the final 17km leg back to Amiens including lunch. As Amiens Cathedral rises on the horizon, we pass through two final locks, cruising through St-Leu before mooring at Seine Amont. *(B, L)*

Day 6 This morning, we visit the Gardens of Maizicourt, voted Picardy’s best garden. Once abandoned, it has been beautifully restored with structured hedges and vibrant plant combinations. Back in Amiens, we enjoy leisure time before our farewell dinner at the hotel. *(B, D)*

As we travel through the tranquil Loire Valley, one magnificent château after another appears before us, each with their romantic atmosphere, dramatic locations and beautiful grounds. CRUISE

Château de Canon

Seine River Cruise featuring Monet's Garden and the Gardens of Normandy

8 DAYS from \$3,915 | ACTIVITY RATING:

DEPARTURE POINT: London St Pancras International

Join us on a relaxing cruise on the sinuous River Seine, into which we have woven a series of visits to the outstanding gardens of Normandy, including Monet's garden at Giverny, which continues to enthrall countless visitors almost a hundred years after his death.

Other garden highlights include the Château de Mirosmesnil, which represents four centuries of harmonious architectural styles, and Le Vasterival, one of the finest gardens of its type and a lasting legacy of its creator, the Princess Sturdza. At the Jardin de Plume we will discover a natural yet structured contemporary garden in a typical Normandy orchard. We also enjoy a visit to France's most iconic palace, the Château de Versailles.

Waking up to a new view every day (without having to pack and unpack) is always a lovely experience and combined with these wonderful gardens this promises to be an unforgettable cruise holiday.

Day 1 We depart from London St Pancras International by Eurostar to Paris Gare du Nord. *(First Class upgrades and regional connections also available on request).* On arrival, we are met by our local coach and and transfer to **Musée de l'Orangerie des Tuileries**, before continuing to our ship on the banks of the River Seine. *(D)*

Day 2 As we sit down to breakfast this morning, the ship will sail towards **Rouen**. After lunch on board, we depart for a visit to the **Jardin de Plume**. Since 1997, Sylvie and Patrick Quibel have been creating this natural yet structured contemporary garden in a typical Normandy

orchard. Making generous use of grasses and perennials, the four-acre garden includes seasonal plantings, a central square mirror pool and a kitchen garden. We return to the ship in time for dinner and moor in Rouen overnight. *(B, L, D)*

Day 3 After breakfast, we depart for the first of two garden visits today, **Château de Mirosmesnil**, which represents four centuries of harmonious architectural styles including a rare example of Louis XIII monumental style. Of particular interest will be the kitchen garden which was restored forty years ago by the Comtesse de Vogüé, grandmother of the present owners.

Rouen

Separated by alleys made of grass, the squares are ordered with vegetables and flowers that contrast with the profusion of annual flowers on the sides. The surrounding park is dominated by a cedar of Lebanon, several centuries old, and there are also fruit trees and a huge collection of clematis. We continue to the nearby garden of **Le Vasterival**. In 1957 Princess Sturdza, a talented plantswoman, started to create this magnificent garden in a natural style covering 7 hectares of acid soil. Princess Sturdza died in 2009 but the garden continues to thrive, with a huge range of plants which grow to perfection in its composted earth. Its informal design with paths, woodlands, glades and immaculate grass walks leading temptingly in all directions, contains a richness of flora in a variety of settings all year round. Later, we rejoin the ship at Rouen before sailing to **Caudebec-en-Caux**. *(B, PL, D)*

Château de Versailles

Day 4 After breakfast, we depart for a visit to the **Pegasus Bridge Memorial Museum**, which pays tribute to the Anglo-Canadian 6th Airborne Division who captured and liberated the bridge here during the D-Day Landings of June 1944. We then continue to the garden at **Château de Canon** at Mezidon-Canon, which was redesigned by a barrister who knew Horace Walpole. The layout is best understood as a French interpretation of the Augustan Style. Like Chiswick Park, it has an axis leading from the house across a grass parterre and an axial woodland ornamented with small temples, including The Temple de la Pleureuse and a Chinese pavilion. We conclude today at the famous Calvados house of **Père Magloire**. Welcomed by the hostesses who will accompany us to the Museum of Calvados and Old Trades, we will be guided by the Cellar Master with the aid of the audio-visual presentation, and have a visit to the cellars followed by a tasting in the shop. Dinner is served on board is the evening as the ship sails for **Les Andelys**. *(B, PL, D)*

A-ROSA VIVA

Day 5 This morning is at your leisure as the ship is docked in the town of Les Andelys. During the early afternoon the ship sails to **Vernon**. On arrival, we depart for nearby Giverny and the world-famous **house and gardens of Claude Monet**. Both the house and gardens have been lovingly and accurately restored - one would believe that the family have just gone out to walk in the garden. You will have time to explore this marvellous garden at your leisure. *(B, L, D)*

Day 6 Today is spent **cruising the Seine** enjoying the panoramic scenery and the on-board facilities of our ship. *(B, L, D)*

Day 7 After breakfast, we depart for one of France's most iconic palaces, the **Château de Versailles**. We have a full day to explore the Royal Apartments, the Hall of Mirrors with 357 mirrors, where courtiers and illustrious guests were received at the time of Louis XIV; the Chapel, the Royal Opera and the Museum of the History of France. Outside, the world-famous gardens, which were designed by André le Nôtre, are also the largest museum of outdoor sculptures in the world, with a total of 221 pieces. The waterbed comprises two large pools which reflect light and illuminate the façade of the Hall of Mirrors. The Northern Parterre is divided into two, each side centred around a circular pool. *(B, PL, D)*

Day 8 After breakfast on board, we disembark and transfer to the Gare du Nord for our Eurostar train back to London where we expect to arrive in the evening. *(B)*

Gardens of Madeira

8 DAYS from \$2,795 | ACTIVITY RATING:

Set in a bright blue sea, some 400 miles off the coast of Africa, lies the lush, volcanic Portuguese island of Madeira. Just 36 miles long and 14 miles wide, it is an island of outstanding natural beauty. Much of the island is assigned as a conservation area where rare flowers cover the island like a green mantle. Orchids, bougainvillea, lilies, hydrangeas, magnolias, jacarandas and azaleas bloom effortlessly throughout the year, and delight the eye at every turn. One of the nicest ways to explore the island is by following the footpaths alongside the “levadas” (small man-made irrigation canals), which wind their way around the island. Our May departure is timed to coincide with Madeira’s Flower Festival, when the streets are carpeted in flowers and colourful displays can be seen on every corner. Enjoy grandstand seating located along the main avenues of Funchal to watch this floral spectacle.

Day 1 Upon arrival in **Funchal** we transfer to our hotel, where a welcome dinner is included. (D)

Day 2 The **Children’s Parade** is a highlight of the Madeira Flower Festival where hundreds of children dressed in colourful costumes parade from Avenida Arriaga to Praça do Município. We later visit the **Madeira Botanical Garden**, an oasis of natural beauty. This lush garden is a veritable treasure trove of plant life from around the world. We then head to the **Quinta da Boa Vista Gardens**, renowned for its exceptional collection of orchids. (B)

Day 3 Today we visit the **Quinta do Palheiro**, the gardens most famous for their camellias, though there is something for everyone including a wonderful spread of agapanthus and arum and belladonna lilies in season. We then enjoy a gentle walk on the footpaths alongside the “levadas”, which wind their way around the island. On our May tour we later enjoy the **Flower Festival Parade** from one of the grandstand seats located along the main avenues of Funchal. The parade includes hundreds of participants, floats cross the city to the sound of music, displaying combinations of floral species. (B)

Day 4 Today we visit **Mercado dos Lavradores**, followed by the **Quinta Vigia**, a small garden which is part of the Presidential Palace, and the neighbouring **Santa Catarina Park**. We conclude at a tea house and enjoy some Madeiran specialities. (B)

Villa Giulia

Villa San Michele

Gardens of the Neapolitan Riviera

7 DAYS from \$3,110 | ACTIVITY RATING:

Southern Italy boasts a wonderfully warm climate paired with fertile soil, making it ideal for cultivating olives, oranges, lemons, and a variety of tender exotic plants. This has inspired the creation of stunning villas, gardens, vineyards, and lemon groves, all infused with the ancient culture of vibrant Naples.

The largest island in the Bay of Naples, Ischia, is home to La Mortella, a mesmerising garden of lush exotics and tender trees, initiated by composer William Walton. Here, umbrella pines, ilex, arbutus, Italian cypresses, and myrtles flourish harmoniously. On the Amalfi coast in Ravello, we explore Villa Rufolo, a terraced garden featuring umbrella pines and cypresses on its upper level, and geometric flower beds bordered by box on its lower terrace. Nearby, Villa Cimbrone offers unparalleled views from its cliff-top promontory. Lastly, we visit Pompeii, an extraordinary site offering a poignant yet captivating window into the distant past.

Day 1 Upon arrival in **Naples**, we begin our journey with a visit to the **Caserta Palace Gardens**, a UNESCO World Heritage Site renowned as one of Europe’s most stunning gardens. Designed by Luigi Vanvitelli in the 18th century, the gardens are a Baroque masterpiece, divided into the formal Italian Garden with fountains and sculptures, and the more natural English Garden with lakes and meadows. A **guided tour** is included. (D)

Alberobello Trulli Houses

White Cities of Puglia

8 DAYS from \$3,180 | ACTIVITY RATING:

Puglia is the long strip of land that makes up the ‘heel’ of Italy. For centuries it was fought over and conquered by the major powers of the day, from the Greeks and Romans to the Turks and Spanish, all of whom have left their mark.

Today it remains a traditional and relatively undiscovered region, yet with fine architecture, attractive countryside and a relaxed culture that deserves to be better known. Among the more striking features are the cylindrical, whitewashed buildings with grey conical roofs known as trulli, which are often joined together in a random, organic manner. Elsewhere we will see imposing castles and ornate cathedrals, ancient archaeological sites and mysterious caves, and have a taste of the top-quality olive oil for which the region is famous.

Day 1 Upon arrival in **Bari** we transfer to our hotel with a welcome dinner included. (D)

Day 2 Today we explore **Lecce**, a beautiful town characterised by the warm pink of the local sandstone. Our **guided walking tour** includes the **Basilica de Santa Croce**, **Piazza del Duomo** and Roman Amphitheatre. (B, D)

trullo houses, the cylindrical, whitewashed buildings with grey conical roofs that are unique to this part of Italy. Our guide explains their history and construction. (B, D)

Day 6 A guided tour of **Castellana Caves** awaits. This stunning underground wonderland was carved over millions of years and invites visitors on a journey into the heart of the Earth. Santiago de Compostela

Galicia's Camellia Route

6 DAYS from \$1,925 | ACTIVITY RATING:  

With a milder, wetter climate than the rest of Spain, the gardens in Galicia have a luxuriant air, accentuated by the fact that many belong to grand country mansions (pazos). Another happy feature of the climate is that camellias thrive here, and in the spring sunshine they provide welcome splashes of colour, blooming exuberantly in shades of white, pink and red.

We will follow the length of the camellia route, which extends from La Coruña in the north by way of the historic pilgrimage centre of Santiago de Compostela to Vigo in the south. Along the way, we visit a collection of splendid gardens, including the outstanding Castillo de Soutomaio, while enjoying some spring sunshine and the uplifting sight of one of the garden world's favourite flowering plants in full bloom.

- Day 1

Upon arrival in **La Coruña** we will be met by our local coach and transfer to our hotel. *(D)*
- Day 2

This morning we have a **tour of the city** to see its modern parks and the historic city centre. We then visit the garden of **Pazo de Mariñan** overlooking the quiet waters of a river estuary. Amongst the botanical varieties to be found here are many old camellia plants with multiple trunks, along with others which have been planted over the years to add fragrance and colour to the garden in the winter and spring. *(B)*

- Day 3

We leave La Coruña and head for **Santiago de Compostela** where we will visit the **Monasterio de San Lorenzo de Trasouto**. Its garden is occupied by an extraordinary masterpiece of box topiary; a wriggling rounded hedge with only the smallest of spaces separating its parts creating a sculpture of the Virgin clothed in ivy. We then visit the great Romanesque **Cathedral** with its Baroque façade and its Cloisters, which is reputed to hold the remains of **St James**. This has made Santiago a centre for pilgrimage and thousands walk the pilgrim's way of El Camino de Santiago each year. *(B, D)*

- Day 4

We depart for the **Pazo de Oca** at La Estrada, where the practical and the beautiful are united in a network of canals and ponds in a mainly 18th century garden. Our next visit is to the **Pazo de Santa Cruz de Rivadulla** at Vedra-Ortigueira. Once the home of the canon of Santiago Cathedral, this charming manor house now boasts one of the region's best plant collections, including hundreds of varieties of Camellia. *(B)*

- Day 5

We visit the **Pazo de Rubianes** at Arousa, where the well-proportioned garden features fountains, pools and camellia walks, which perfectly complement the handsome villa. We then visit the impressive hill top **Castillo de Soutomaio**, which has an important and historic camellia collection and commands views over the wild yet attractive countryside of Galicia. We continue to our hotel in Vigo. *(B, D)*

- Day 6

We visit the **Pazo de Quiñones de León**, a Baroque mansion, which became a city museum in 1937 and is situated at the top of Castrelos Park, through which the Lagares River flows. We later transfer to La Coruña airport where our tour concludes. *(B)*

Inc. meals: *B: Breakfast, D: Dinner*

Key Highlights

-  Visit the famous pilgrimage city of Santiago de Compostela
-  Enjoy the sight of camellias at a selection of country estates (*pazos*)
-  The impressive hill-top site of Castillo de Soutomaio

The Mediterranean Island of Cyprus has a rich Prehistoric, Classical and Medieval past. In recent years research has shown that the earliest occupation of the island dates back over 10,000 years, and over these millennia the Cypriot people have developed their own distinctive artefacts, buildings, art and culture. At this time of year, Cyprus lends itself perfectly as an escape from the cooler weather at home, while providing the opportunity to explore the sites in the comfort of mild spring weather rather than the heat of the summer.

Among the highlights are three UNESCO World Heritage sites, Khirokitia and the Archaeological Park and Tomb of the Kings at Paphos, along with a host of other fascinating sites, including the very spot where the newborn goddess Aphrodite came ashore in her shell, a popular subject for classical painters.

Our next visit is to the **Sanctuary of Apollon Hylates** and our final stop is **Aphrodite's Rock**, the goddess's mythical birthplace. We later head to our hotel in Paphos. *(B)*

At 21 miles long and 14 miles wide, Barbados is a small and perfectly formed vision of pure Caribbean paradise. This is a place of upbeat welcomes, radiant seas, sandy beaches, golden palms, and thick gleaming rainforest – the quintessential island idyll. It's also a place where private gardens blossom, lilies and heliconias burst vibrantly out of the undergrowth, and species of orchid thrive in their thousands. This laid-back tour really does have something for everyone. Picture gazing across the sweeping vistas of Cherry Tree Hill, watching the lively resident monkeys of the Andromeda Botanical Garden and exploring the George Washington House, an important remnant of the island's plantation past. Gardens of Costa Rica

12 DAYS from \$6,015 | ACTIVITY RATING:

The term biodiversity may have been coined with Costa Rica in mind, such is the range of different species within its pristine, tropical forests. Throw in some spectacular scenery and resplendently laid-back citizens, and you have all the makings of a life-affirming holiday experience.

Visit a broad range of gardens both public and private, such as the Else Kientzler Botanical Gardens with its world-class collection of plants. At the Monteverde Cloud Reserve we will see some of the 100 mammals, 400 bird species and more than 2,500 varieties of plants that thrive here, including, if we are lucky, the famously elusive resplendent quetzal.

8 DAYS from \$5,805 | ACTIVITY RATING:

The Singapore Garden Festival takes place every two years and is among the top flower and garden shows on the international calendar. It was the first event to bring together top international award-winning landscape and garden designers, florists and horticulturists from around the world, who are invited to the Festival to work alongside Singapore’s own talented horticulturalists. Singapore’s geographic location makes the Festival an ideal platform to showcase horticultural and gardening products and services from the northern and southern hemispheres, as well as from Asia and New World nations. A colourful and stimulating experience with a truly international flavour, the Festival is a treat for the senses.

In addition, a full day at the show, we take the opportunity to explore Singapore’s many attractions, including the spectacular Gardens by the Bay, whose illuminated Supertrees have gained iconic status. Other garden visits include Hort’s Park, Fort Cannings Spice Garden and the Singapore Botanic Gardens. Further highlights include a city sightseeing tour, a river cruise and afternoon tea at Raffles, the famous Singaporean institution.

Day 1 On arrival in **Singapore** we are met and taken to our hotel. This evening we enjoy a welcome dinner at a local restaurant. *(IF, D)*

Day 2 This morning, we embark on a **half-day city tour** starting in the **Colonial District**. Singapore was a British colony from 1824 until independence in 1959, and much of the colonial legacy remains: we see Padang, the Cricket Club, Parliament House, the Supreme Court, and City Hall. Next, we visit **Merlion Park**, home to the iconic Merlion statue. We continue to **Chinatown** and **Little India**, originally a division of colonial Singapore where Tamil immigrants lived under

British ethnic segregation policy. We then visit the **Marina Bay Sands**, a landmark hotel and leisure complex with a distinctive rooftop garden, the Skypark, offering spectacular city views. F1 fans will recognise sections of the racing circuit. We also enjoy a **cruise** along the Singapore River in a ‘bumboat’, a traditional, brightly painted water taxi. Dinner will be at a nearby restaurant. *(B, D)*

Day 3 After a leisurely morning, we depart this afternoon to visit Singapore’s iconic horticultural attraction, **Gardens by the Bay**. Spanning 101 hectares, this award-winning venue houses over 250,000 rare plants in an innovative

Singapore Botanic Gardens

and imaginative way. There are obvious similarities to our own Eden Project, in particular the huge domed conservatories, but other features are unique, such as the impressive Supertrees. Afterwards, we visit the **Cloud Forest**, a mysterious botanical world veiled in mist. Here, we experience breathtaking mountain views surrounded by diverse vegetation and hidden floral gems and learn about rare plants and their fast-disappearing environment. After **dinner at a local restaurant**, we enjoy an evening performance of the Rhapsody light and sound show at the **Supertree Grove Gardens**. At night, the Supertrees are brilliantly illuminated in an ever-changing kaleidoscope of colour,

Merlion Park

complemented by a garden rhapsody of well-known music from the movies. *(B, D)*

Day 4 After breakfast, we visit **Singapore Botanical Garden**, which was founded in 1859 and showcases the best and most spectacular of tropical flora, set in a stunning, verdant landscape. It is now a UNESCO World Heritage Site, only the third botanic garden in the world to be so honoured, after Kew and Padua. We enjoy lunch at a local restaurant before returning to the hotel for the remainder of the afternoon at leisure. *(B, L)*

Day 5 Today, we attend the **Singapore Garden Festival**, viewing garden displays and orchid extravaganza, with talks and demonstrations. Held biennially, it brings together top award-winning designers and horticulturalists globally with Singapore’s own talents. Dinner is at a nearby restaurant. *(B, D)*

Day 6 This morning, we visit Singapore’s Chinese and Japanese Gardens, known as **Jurong Gardens**. Built in 1975, the **Chinese Garden** integrates architectural features with the natural environment, modelled on northern Chinese imperial style. Linked by the ‘Bridge of Double Beauty’, the adjacent **Japanese Gardens** evoke calmness and meditative peace, inspired by Japan’s Muromachi and Azuchi–Momoyama periods. We return to the hotel to change for **Afternoon Tea at Raffles Hotel**, established in 1887. After tea, enjoy the hotel’s trademark cocktail, the Singapore Sling *(drinks not included)*. Dress code applies. *(B, AT)*

Day 7 We begin today with a visit to **Hort Park**, a series of botanical and horticultural parks and gardens in the southwestern corner of Singapore, connected by elevated walkways and bridges. The afternoon is free to shop and sightsee at leisure. Tonight, we enjoy a farewell dinner at a local restaurant. *(B, D)*

Day 8 This morning, we have time for one more visit, the **Fort Canning Spice Garden**. Here we will discover the trees and plants that produce many familiar spices such as nutmeg and cloves, on a site that was originally Singapore’s first Botanical and Experimental Garden, started in 1822 by Sir Thomas Stamford Raffles *(yes, him again!)*. Following our visit, we transfer to the airport where our tour concludes. *(B)*

GARDENS

Ashikaga Flower Park

Gardens of Honshu and Hokkaido

12 DAYS from \$7,835 | ACTIVITY RATING: 🌸🌸🌸🌸

It's time once again to expand our horizons in the land of the rising sun and explore more of this fascinating country. Hokkaido, the mountainous, arrowhead-shaped northern island, seems like the perfect place to start. We get the impression that it is such a beautiful place that the Japanese would really rather keep it a secret. Nevertheless, we can expect the usual warm welcome from our hosts, many of whom still find westerners highly intriguing! Compared to our regular garden holiday, this tour takes us deeper into Japan, both in terms of the countryside and the culture. This holiday should appeal both to those who have been with us to Japan before and want to discover more, and to those who want to explore a beguiling region of mountains, lakes and thermal springs, interwoven with a unique cultural experience.

We begin in Honshu, the largest of the four main islands that comprise Japan, with two nights in Tokyo. This is one of the most modern cities in the world, yet offers surprises at every turn – where else can you find ancient temples and exquisite gardens, surrounded by skyscrapers? We then visit two of the top three landscape gardens in Japan as we visit Kairakuen Garden in Mito and then take the Bullet Train to Kanazawa in the west to visit Kenrokuen Garden. A visit to the stunning wisteria gardens at Ashikaga is included en route to Tokyo from where we fly north to Hokkaido. On the eastern side of the island our exploration includes the Shiretoko Peninsula, a pristine wilderness typified by lush virgin forest, waterfalls and thermal springs; the strange, withered trees of Todowara Woods and the Notsuke Peninsula, home to a diverse range of birdlife. We then transfer to western Hokkaido and our base in Sapporo, from where we explore further gardens and the natural wonders of the Shikotsu Toya National Park.

- Day 1

Upon arrival, we transfer to our hotel in the centre of Tokyo.
- Day 2

We depart by coach this morning for Mito, the capital of the Ibaraki Prefecture, where we find Kairakuen, ranked among Japan's three finest landscape gardens. In addition to its famous plum trees, of which there are more than three thousand, Kairakuen also features a bamboo grove, cedar woods and a traditional building used in tea ceremonies. We return by coach to our hotel. (B)
- Day 3

This morning we enjoy one of the unique experiences of a trip to Japan as we take the Bullet Train to Kanazawa, where we visit Kenrokuen, another of the top three landscape gardens. The name "having six factors", represents the attributes which bring out the garden's stunning beauty: spaciousness, tranquillity, artifice, antiquity, water sources and magnificent views. Following our

Shiretoko Peninsula

visit we take a stroll around Higashi Chaya, the Geisha District of Kanazawa, with restored teahouses and taverns reminiscent of bygone Japan. We continue to our hotel for an overnight stay. (B)

- Day 4

Depart by Bullet Train for Takasaki in Japan's eastern Kantō region, where we visit the Ashikaga Flower Park, famed for its spectacular Wisteria Festival, which will be taking place at this time. Following our visit here we transfer by coach to Tokyo. (B)

- Day 5

Today we fly to Memanbetsu in Hokkaido. On arrival we travel the short distance to our comfortable, western-style hotel in Abashiri, stopping on the way at the observation point at Mt Tentozan, which affords panoramic views over Abashiri and the Okhotsk Sea beyond. (B, D)

- Day 6

We begin our exploration of the unspoilt natural wonders of eastern Hokkaido today by touring the area around Lake Saroma, which is the largest lake in Hokkaido. A visit is included to the Lake Saroma Wakka Nature centre, which gives background information on the flora and fauna of the area. We will also visit the Wakka Gensei Kaen 'Natural Garden', an area of natural grassland that sits between Lake Saroma and the sea, home to a huge variety of wildflowers, forests, meadows and wetlands. We return to our hotel in Abashiri in the afternoon. (B, D)

- Day 7

Leaving our hotel in Abashiri, we will tour the Shiretoko Peninsula, an area of untouched primeval forest, lakes and mountains, protected as a National Park. Included are visits to the Shiretoko Nature Centre, Furepe Falls and Shiretoko Five Lakes. It takes about an hour to walk round the five lakes. Following our visit here we will continue to our comfortable hotel by Lake Kussharo. (B, D)

- Day 8

Today, we enjoy a full day excursion to the Notsuke Peninsula, a narrow sandspit shaped by sea currents and silt from the Shibetsu-gawa River. Said to resemble a shrimp's curved back, it is accessed via the scenic Flower Road, named for the wildflowers that bloom here in summer. We'll

also explore Todowara, an eerie landscape of withered fir trees, bleached and sculpted by seawater. Later, we visit the Notsuke Peninsula Nature Centre, a long-standing rest stop offering insight into the area's unique environment. (B, D)

- Day 9

After breakfast, we transfer to Kushiro Airport, stopping en route to admire the scenic beauty of Lake Mashu. In the early afternoon, we fly to Sapporo, where we'll enjoy an introductory city tour on arrival, including visits to the lively Nijo Market and the historic Sapporo Beer Museum. (B)

- Day 10

A day among spectacular volcanic lakeland scenery in the Shikotsu-Toya National Park begins with a boat cruise on Lake Shikotsu, a caldera lake formed over 30,000 years ago by volcanic activity. Lake Okotanape by contrast, is relatively small and was formed when the lava flow of Mt Eniwa-dake dammed the Okotanape River. We continue to Jozankei for another uniquely Japanese experience as we visit the Onsen, the naturally occurring hot springs used for bathing and relaxation. We also visit the Iwato Kannondo, a 120m long cave in which have been placed 33 different statues of Kannon, the goddess of mercy. (B)

- Day 11

We spend today touring Sapporo, including Odori Park, a flower-filled oasis which extends for 1500m through the city centre; the Hokkaido University Botanic Garden, which retains sections of virgin forest and contains some 4,000 varieties of plants collected from all over Hokkaido; and Yurigahara Park. We continue to Otaru, the Venice of Japan, to see the Otaru Canal, constructed in 1923 and now a popular photo-stop with its stone-built warehouses lining the canal side. On our return to the hotel we have some time in the Sakaimachi Shopping Street, an opportunity perhaps for some final souvenir shopping. (B)

- Day 12

After checking out, we head to Sapporo Airport where our tour concludes. (B)

Heian Shrine's pond

Seasonal Gardens of Japan

12 DAYS from \$8,255 | ACTIVITY RATING:

Japanese gardens originated as simple forest clearings for divine manifestations, evolving into idealized landscapes with stone, water, trees and moss. They offer serene beauty, framing views that often incorporate distant landscapes. Carefully selected trees and plants enhance the atmosphere, with autumn and spring foliage especially valued. Many renowned gardens are in Kyoto, the former capital, where we'll spend three days exploring diverse styles like landscape, stroll and pond-and-island gardens. A highlight is Kinkaku-ji, featuring the Golden Pavilion.

From Kyoto, we take the Bullet Train to Tokyo for more garden visits, including Hamarikyu. Beyond gardens, the itinerary showcases Japan's unique culture with visits to Omi Hachiman, the Imperial Palace Garden and a cruise on Lake Ashi near Mount Fuji. Booking terms & conditions

Your package holiday booking is with Brightwater Holidays, Eden Park House, Cupar, Fife, Scotland KY15 4HS. Telephone: 01334 800 372

These Booking Conditions, together with our Privacy Policy and where your holiday is booked via our website, our Website Terms of Use, together with any other written information we brought to your attention before we confirmed your booking, form the basis of your contract with Brightwater Holidays Limited, Eden Park House, Cupar, Fife, Scotland, KY15 4HS & Company Number SC137295. ("we", "us", "our"). Please read them carefully as they set out our respective rights and obligations. In these Booking Conditions references to "you" and "your" include the first named person on the booking and all persons on whose behalf a booking is made or any other person to whom a booking is added or transferred.

By making a booking, the first named person on the booking agrees on behalf of all persons detailed on the booking that:

- a. he/she has read these Booking Conditions and has the authority to and does agree to be bound by them;
- b. he/she consents to our use of personal data in accordance with our Privacy Policy and is authorised on behalf of all persons named on the booking to disclose their personal details to us, including where applicable special categories of data (such as information on health conditions or disabilities and dietary requirements);
- c. he/she is over 18 years of age and where placing an order for services with age restrictions declares that he/she and all members of the party are of the appropriate age to purchase those services;
- d. he/she accepts financial responsibility for payment of the booking on behalf of all persons detailed on the booking.

1. Booking & Paying For Your Arrangements

A booking is made with us when you pay us a deposit (or full payment) and we issue you with a booking confirmation. We reserve the right to return your deposit (see the tables below) and decline to issue a booking confirmation at our absolute discretion. A binding contract will come into existence between you and us as soon as we have issued you with a booking confirmation that will confirm the details of your booking. If your confirmed arrangements include a flight, and you are a resident of the UK, we will also issue you with an ATOL Certificate. Upon receipt, if you believe that any details on the ATOL Certificate or booking confirmation or any other document we send you are wrong, you must advise us immediately as changes can not be made later and it may harm your rights if we are not notified of any inaccuracies in any document.

Deposit Payments (per person):

UK guests - £175pp for holidays without flights, £350pp for UK/ Europe holidays with flights, 15% of the total price for long-haul holidays, Lord of the Glens cruises is 35% of the total price.

US guests - \$175 for holidays without flights, \$350 for UK/ Europe holidays with flights, 15% for long haul holidays, Lord of the Glens cruises is 35% of the total price.

The balance of the cost of your arrangements (including any applicable surcharge) is due not less than 14 weeks prior to scheduled departure (20 weeks for cruises). If we do not receive this balance in full and on time, we reserve the right to treat your booking as cancelled by you in which case we shall retain your deposit.

If you are booking bespoke flight arrangements for you or deviating from the group flights, we will charge you any difference in cost and payment will be taken in full when flights are booked.

Ways to pay - We accept payment by Visa, MasterCard, cheque (GBP ONLY), or bank transfer for which no levy is charged by us. Your bank or credit card provider may charge an additional financial processing charge and we cannot be responsible for any such charges. (Please note: If you are paying from an overseas bank account, you must accept all bank charges incurred by us. A surcharge of 2.5% will be applied for card payments made with cards registered in countries outside the EEA and the USA).

2. Accuracy

We endeavour to ensure that all the information and prices both on our website [and in our brochures] are accurate, however occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. You must check the current price and all other details relating to the arrangements that you wish to book before you make your booking.

3. Insurance

Adequate travel insurance is a condition of your contract with us, and is compulsory for travel outside of the UK. You must be satisfied that your insurance fully covers all your personal requirements including pre-existing medical conditions, cancellation charges, medical expenses and repatriation in the event of accident or illness. Details of a policy suitable to cover the arrangements you book are available by contacting Global Travel Insurance. If you choose to travel without adequate

insurance cover, we will not be liable for any losses howsoever arising, in respect of which insurance cover would otherwise have been available.

4. Pricing

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. We also reserve the right to increase the price of confirmed holidays solely to allow for increases which are a direct consequence of changes in:

- (i) the price of the carriage of passengers resulting from the cost of fuel or other power sources;
- (ii) the level of taxes or fees chargeable for services applicable to the holiday imposed by third parties not directly involved in the performance of the holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; and
- (iii) the exchange rates relevant to the package.

Such variations could include but are not limited to airline cost changes which are part of our contracts with airlines (and their agents), cruise ship operators and any other transport providers.

You will be charged for the amount of any increase in accordance with this condition. However, if this means that you have to pay an increase of more than 8% of the price of your confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (if this is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 7 days from the issue date printed on your final invoice. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy.

Should the price of your holiday go down due to the changes mentioned above, then any refund due will be paid to you less an administrative fee of £75. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

Single, Double, Twin Bedded Rooms - Single supplements are payable for sole occupancy of a room. A single room does not guarantee the provision of a double or twin room, and in some instances may be smaller. A 'double' bed is often two single beds pushed together, sometimes with double bed base linen (although it is not unusual for single duvets to be provided in some hotels for doubles).

5. Jurisdiction & Applicable Law

These Booking Conditions and any agreement to which they apply are governed in all respects by English law. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of England and Wales

only. You may however, choose the law and jurisdiction of Scotland or Northern Ireland if you live in those places and if you wish to do so.

6. Cutting Your Holiday Short

If you decide to cut short your holiday for your own reasons, or not stay at accommodation that has been booked for you, take any pre-booked meals, excursions, or other holiday components, then we are unable to offer you any refund or cover any costs. Depending on the circumstances, your travel insurance may offer cover for such curtailment, so we suggest that you check the conditions and requirements of your policy.

7. If You Change Your Booking & Transfers of Bookings

If you wish to change any part of your booking after our confirmation invoice has been issued, you must inform us in writing or by phone as soon as possible. This should be done by the first named person on the booking. Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change. Where we can meet a request, all changes will be subject to payment of an administration fee of £75 per person per change, as well as any costs and charges incurred by us and/or incurred or imposed by any of our suppliers in making this change. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable in accordance with condition 8.

Transfer of Booking:

If you or any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- a. that person is introduced by you and satisfies all the conditions applicable to the holiday;
- b. we are notified not less than 7 days before departure;
- c. you pay any outstanding balance payment, an amendment fee of £75 per person transferring, as well as any additional fees, charges or other costs arising from the transfer; and
- d. the transferee agrees to these booking conditions and all other terms of the contract between us.

You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out in condition 8 will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

Important Note: Certain arrangements may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

8. If You Cancel Your Booking Before Departure

If you or any other member of your party decides to cancel your confirmed booking you must notify us in writing or by phone. Your notice of cancellation will only take effect when it is received in writing by us at our offices and will be effective from the date on which we receive it.

Should one or more member of a party cancel, it may increase the per person holiday price of those still travelling and you will be liable to pay this increase.

Since we incur costs in cancelling your arrangements, you will have to pay the cancellation charges as follows:

Cancellation Charges - if you cancel your holiday
Up to 98 days: deposit and any invoiced flight or hotel costs | **97-84 days:** 15% and any invoiced flight or hotel costs | **83-64 days:** 35% and any invoiced flight or hotel costs | **63-46 days:** 55% and any invoiced flight or hotel costs | **45-31 days:** 75% and any invoiced flight or hotel costs | **From 30 days to departure:** 100% and any invoiced flight or hotel costs.

Lord of the Glens:

Up to 6 months: deposit and any invoiced flight or hotel costs | **6 months-0 days:** 100% and any invoiced flight or hotel costs.

Please note that insurance premiums and amendments charges are not refundable in any circumstances.

Important Note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above.

If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

Where possible, we will deduct the cancellation charge(s) from any monies you have already paid to us.

Cancellation by You due to Unavoidable & Extraordinary Circumstances:

You may terminate the package travel contract applicable to your holiday at any time before the start of the package without paying a cancellation charge in the event of "unavoidable and extraordinary circumstances" occurring at the place of destination or its immediate vicinity which will significantly affect the performance of the package or carriage to your holiday destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any additional compensation. You must be able to show at the time you wish to cancel that there is no reasonable possibility of your holiday going ahead, in order to rely on this clause.

For the purposes of this clause, "unavoidable and extraordinary circumstances" may include warfare, other serious security problems such as terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination, or natural disasters such as floods, earthquakes or weather conditions which significantly affect travel to the travel destination as agreed in the package travel contract.

This condition 8 outlines the rights you have if you wish to cancel your booking. Please note that there is no automatic statutory right of cancellation under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013.

9. If We Change Or Cancel

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time.

Changes: If we make a minor change to your holiday, we will make reasonable efforts to inform you or your travel agent as soon as reasonably possible if there is time before your departure but we will have no liability to you. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change.

Occasionally we may have to make a significant change to your confirmed arrangements. Examples of what might be "significant changes" dependent upon the details of your booking include the following, when made before departure:

- (a) A change of accommodation area for the whole or a significant part of your time away.
- (b) A change of accommodation to that of a lower standard or classification for the whole or a significant part of your time away.
- (c) A change of outward departure time or overall length of your arrangements by more than 12 hours.
- (d) A change of UK departure airport except between:
 - I. The London airports: Gatwick, Heathrow, Luton, Stansted, London City and Southend
 - II. The South Coast airports: Southampton, Bournemouth and Exeter
 - III. The South Western airports: Cardiff and Bristol
 - IV. The Midlands airports: Birmingham and East Midlands
 - V. The Northern airports: Liverpool, Manchester and Leeds Bradford
 - VI. The North Eastern airports: Newcastle and Teesside
 - VII. The Scottish airports: Edinburgh, Glasgow, Prestwick and Aberdeen
- (e) A significant change to your itinerary.

Cancellation: Unless we absolutely have to, we will not cancel your travel arrangements less than 30 days before your departure date, except for reasons of Events Beyond Our Control or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., the minimum number of clients required for a particular travel arrangement is not reached.

If we have to make a significant change or cancel, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of:

- i (for significant changes) accepting the changed arrangements; or
- ii having a refund of all monies paid in respect to your package; or
- iii if available and where we offer one, accepting an offer of an alternative holiday (we will refund any price difference if the alternative is of a lower value).

You must notify us of your choice within 7 days of our offer. If we do not hear from you within 7 days, we will contact you again to request notification of your choice. If you fail to respond again, we will assume that you have chosen to accept the change or alternative booking arrangements.

Insurance If we cancel or make a significant change and you accept a refund, we will provide a full refund of your travel insurance premiums if you paid them to us and can show that you are unable to transfer or reuse your policy.

Compensation

In addition to a full refund of all monies paid by you, we will pay you compensation as detailed below, in the following circumstances:

- (a) If, where we make a significant change, you do not accept the changed arrangements and cancel your booking;
- (b) If we cancel your booking and no alternative arrangements are available and/or we do not offer one.

Please get in touch with us directly to discuss compensation.

***IMPORTANT NOTE:** We will not pay you compensation in the following circumstances:

- (a) where we make a minor change;
- (b) where we make a significant change or cancel your arrangements more than 60 days before departure;
- (c) where we make a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;
- (d) where we have to cancel your arrangements as a result of your failure to make full payment on time;
- (e) where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;
- (f) where we are forced to cancel or change your arrangements due to Events Beyond Our Control (please see condition 10).

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will, if possible, make alternative arrangements for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

10. Events Beyond Our Control

Except where otherwise expressly stated in these Booking Conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by "Events Beyond our Control". For the purposes of these Booking Conditions, Events Beyond Our Control means any event beyond our or our supplier's control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include warfare and acts of terrorism (and threat thereof), civil strife, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or remain at the travel destination, the act of any government or other national or local authority including port or river authorities, industrial dispute, labour strikes, lock closure, natural or nuclear disaster, fire, chemical or biological disaster, unavoidable technical problems with transport and all similar events outside our or the supplier(s) concerned's control.

Guides - In the case of events beyond our control, we reserve the right to substitute any named guide, guest lecturer or other escort with an alternative qualified person and this will not be deemed as any significant change to your arrangements.

Flights - if you have booked a flight upgrade and there is a change of airline prior to departure as a result of circumstances beyond our control, it may not be possible to offer an equivalent upgrade, or an addition cost may apply.

11. Special Requests

Any special requests must be advised to us at the time of booking e.g. diet, room location, a particular facility at a hotel etc. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed by us. We do not accept bookings that are conditional upon any special request being met.

12. Disabilities & Medical Problems

We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. If you or any member of your party has any medical problem or disability which may affect your booking, please provide us with full details before you make your booking so that we can try to advise you as to the suitability of your chosen arrangements. We may require you to produce a doctor's certificate certifying that you are fit to participate. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details.

It is a condition of participation on our holidays that you agree to accept the authority and decisions of our employees, tour leaders and agents while on holiday with us. If in the opinion of such a person your health or conduct at any time, before or after departure, appears likely to endanger the safe, comfortable, or happy progress of a holiday, you may be excluded from all or part of the holiday and/or we may terminate your holiday, and any additional costs incurred by you as a result of such exclusion will be your responsibility. In the case of ill health, we may make such arrangements as we see fit and recover any resulting costs from you.

Note: While there are no age limits or health requirements on our holidays, please note that for certain destinations require a degree of mobility and fitness to get the most out of the holiday and need to keep up with the group. Should you have any concerns or your mobility changes as your holiday gets closer, please contact us to discuss further.

13. Complaints

We make every effort to ensure that your holiday arrangements run smoothly but if you do have a problem during your holiday, please inform the tour manager or the relevant supplier immediately as they will endeavour to put things right. If this is not possible please contact the UK office or the emergency number on your final travel documentation.

If the problem cannot be resolved and you wish to complain further, you must send formal written notice of your complaint to us at our office, ideally within 28 days of the end of your stay, giving your booking reference and all other relevant information. Please keep your letter concise and to the point. This will assist us to quickly identify your concerns and speed up our response to you. Failure to follow the procedure set out in this condition may affect ours and the applicable supplier's ability to investigate your complaint, and will affect your rights under this contract.

14. Your Behaviour

All our customers are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of others. If in our opinion or in the opinion of any hotel manager or any other person in authority, your behaviour or that of any member of your party is causing or is likely to cause distress, danger or annoyance to any other customers or any third party, or damage to property, or to cause a delay or diversion to transportation, we reserve the right to terminate your booking with us immediately. In the event of such termination our liability to you and/or your party will cease and you and/or your party will be required to leave your accommodation or other arrangements immediately. We will have no further obligations to you and/or your party. No refunds for lost accommodation or any other arrangements will be made and we will not pay any expenses or costs incurred as a result of termination. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure. If you fail to make payment,

you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you.

We cannot be held responsible for the actions or behaviour of other guests or individuals who have no connection with your booking arrangements or with us.

15. Our Responsibilities

(1) We will accept responsibility for the arrangements we agree to provide or arrange for you as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018, as set out below and as such, we are responsible for the proper provision of the travel services specifically included in your package, as set out in your confirmation invoice and the information we provided to you regarding the services prior to booking. Please note that we shall not be responsible for any additional services provided to you, whether provided by the travel service providers or otherwise, which are not set out in your confirmation invoice and the information we provided to you regarding the services prior to booking.

(2) We will not be responsible or pay you compensation for any personal injury or death unless you are able to prove that it was caused by our negligence or the negligence of our suppliers.

(3) We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:

- (a) the acts and/or omissions of the person affected; or
- (b) the acts and/or omissions of a third party unconnected with the provision of the services contracted for and which were unforeseeable or unavoidable; or
- (c) Events Beyond Our Control (as defined in condition 10).

(4) **We limit the amount of compensation we may have to pay you if we are found liable under this clause:**

(a) **loss of and/or damage to any luggage or personal possessions and money:** the maximum amount we will have to pay you in respect of these claims is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind.

(b) **Claims not falling under (a) above and which don't involve injury, illness or death:** the maximum amount we will have to pay you in respect of these claims is up to three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.

(c) Claims in respect of international travel by air, sea and rail, or any stay in a hotel:

- i) The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/ Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask for copies of these Conventions from our offices. Please contact us. In addition, you agree that the operating carrier or transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'. You acknowledge that all of the terms and conditions contained in those 'Conditions of Carriage' form part of your contract with us, as well as with the transport company and that those 'Conditions of Carriage' shall be deemed to be included by reference into this contract.

- ii) In any circumstances in which a carrier is liable to you by virtue of EC 261/2004 (denied boarding and flight disruption), any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier.

iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

(5) Subject to these Booking Conditions, if we or our suppliers negligently perform or arrange those services set out in the confirmation invoice and the information we provided to you regarding the services prior to booking and we don't remedy or resolve your complaint within a reasonable period of time, and this has affected the enjoyment of your holiday you may be entitled to an appropriate price reduction or compensation or both. **You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package.** The level of any such price reduction or compensation in respect of any claim for damages or compensation whatsoever will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these Booking Conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(6) It is a condition of our acceptance of liability under this condition that you notify any claim to us and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.

(7) Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to us or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.

(8) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description:

- (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you;
- (b) relate to any business;
- (c) indirect or consequential loss of any kind.

(9) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

(10) Where it is impossible for you to return to your departure point as per the agreed return date of your holiday, due to "unavoidable and extraordinary circumstances", we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding three nights per person. Please note that the 3 night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs at least 48 hours before the start of your holiday. For the purposes of this clause, "unavoidable and extraordinary circumstances" may include warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

16. Excursions

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your contracted arrangements with us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

17. Insolvency Protection

We provide financial security for flight-inclusive (packages and ATOL protected flights) by way of our Air Travel Organiser's Licence number 4498, issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email: claims@caa.co.uk.

When you buy an ATOL protected product from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included

in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL Scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

The Association of Bonded Travel Organisers Trust Limited (ABTOT) provides financial protection for our non-flight inclusive tours under The Package Travel and Linked Travel Arrangements Regulations 2018 for Brightwater Holidays Limited, member number 5001, and in the event of their insolvency, protection is provided for:

- Non-flight packages

ABTOT cover provides for a refund in the event you have not yet travelled or repatriation if transportation was included in your package. Please note that bookings made outside the UK are only protected by ABTOT when purchased directly with Brightwater Holidays Limited.

In the unlikely event that you require assistance whilst abroad due to our financial failure, please call our 24/7 helpline on 01702 811397 and advise you are a customer of an ABTOT protected travel company. You can access The Package Travel and Linked Travel Arrangements Regulations 2018 here: <https://www.legislation.gov.uk/ukqi/2018/634/contents/made>

You can find out more about ABTOT here: <https://www.abtot.com/>

If you book arrangements other than package holidays from us, your monies will not be financially protected. Please ask us for further details.

18. Entry, Passport, Visa & Immigration Requirements, Safety & Health Formalities

We can only provide general information regarding entry, passport, visa, immigration requirements and safety and health formalities applicable to your package itinerary. It is your responsibility to check such requirements (in good time before departure), in order to make your decisions to fulfil such requirements regarding your destination and/or the country(ies) through which you may be transiting through.

Such information which you may need to check includes (but is not limited to) passport requirements including how valid your passport must be after return date, whether your passport must be machine readable or which visas/waivers may be required for entry such as ESTA for USA travel, ETIAS for EU travel and or the UK ETA if you are entering and exiting the United Kingdom.

You must check requirements for your own specific circumstances with the relevant bodies as applicable. We have provided a few useful resources below, though it is your responsibility to check and see if such a body would be relevant to yourself.

- the Foreign, Commonwealth and Development Office ("FCDO", <https://www.gov.uk/travelaware>) (applicable to UK residents);
- UK Passport Office (0870 5210410 or <https://www.gov.uk/browse/citizenship>).
- Embassies, High Commission and/or Consulates;
- own doctor.

For UK residents booking European travel, you should obtain a UK Global Health Insurance Card (UK GHIC) prior to departure unless you are able to rely upon an existing European Health Insurance Card (EHIC). For travel to Norway, Iceland, Liechtenstein and Switzerland, UK GHIC and EHIC can not be used for medical treatment. Passengers to these destinations should obtain comprehensive medical insurance prior to departure, including cover for emergency medical treatment and associated costs.

We do not accept any responsibility if you cannot travel, or incur any other loss because you have not complied with any entry, passport, visa, immigration requirements or health formalities. You agree to reimburse us in relation to any fines or other losses which we incur as a result of your failure to comply with any entry passport, visa, immigration requirements or health formalities.

EES – European Entry and Exit system

All non-EU nationals travelling to a European country will be subject to checks at the border. The EES system replaces passport stamping and automates border control procedures collecting and recording the data in your passport, your date and place of entry and exit from a European country and also your facial image and fingerprints. In most cases these checks will be carried out upon arrival in the EU when arriving by air, however, due to the dual French and UK border arrangements in Dover, these checks will take place in Dover for coach passengers, prior to boarding the ship for the cross channel sailing or at London St Pancras International and Paris Gare du Nord self-service pre-registration kiosk before going through the ticket gates if travelling via Eurostar.

European Travel Information Authorisation System (ETIAS)

During the last quarter of 2026, the rules of travel to Europe will change and there will be an entry requirement for visa-exempt nationals. Travellers will be required to make an online application for and obtain an ETIAS travel authorisation to enter most EU countries, a fee of €7 will be charged. Once confirmed this is linked to your passport and will be valid for 3 years or until your passport expires if that is sooner. If you get a new passport, you will need a new ETIAS travel authorisation. You must carry the email confirming your successful ETIAS submission and unique ETIAS application number along with your passport when travelling as both documents will be checked at the border. ETIAS is not required for Crown Dependencies – Isle of Man and the Channel Islands, or the common travel areas of Northern and Southern Ireland. Further details can be found at travel-europe.europa.eu and we will update this page as exact dates and further details are released.

19. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from us or the supplier concerned.

20. Prompt Assistance

If, whilst you are on holiday, you find yourself in difficulty for any reason, we will offer you such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and assistance with distance communications and finding alternative travel arrangements. Where you require assistance which is not owing to any failure by us, our employees or sub-contractors we will not be liable for the costs of any alternative travel arrangements or other such assistance you require. Any supplier, airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these Booking Conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements. Furthermore, we reserve the right to charge you a fee for our assistance in the event that the difficulty is caused intentionally by you or a member of your party, or otherwise through your or your party's negligence.

21. Delays, Missed Transport Arrangements & Other Travel Information

If you or any member of your party misses your flight or other transport arrangement, it is cancelled or you are subject to

a delay of over 3 hours for any reason, you must contact our head office and the airline or other transport supplier concerned immediately.

Under UK Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at UK airports and will also be available from airlines. If the airline does not comply with these rules you should complain to the Civil Aviation Authority at www.caa.co.uk/passengers. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If, for any reason, you do not claim against the airline and make a claim for compensation from us, you must, at the time of payment of any compensation to you, make a complete assignment to us of the rights you have against the airline in relation to the claim that gives rise to that compensation payment. A delay or cancellation to your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight.

We cannot accept liability for any delay which is due to any of the reasons set out in condition 10 of these Booking Conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check in or board on time).

The carrier(s), flight timings and types of aircraft shown in this brochure or on our website and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. We shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your tickets which will be despatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been dispatched we will contact you as soon as we can to let you know.

Please note the existence of a "UK Air Safety list" (available for inspection at <https://www.caa.co.uk/commercial-industry/airlines/licensing/requirements-and-guidance/third-country-operator-certificates/>) detailing air carriers that are subject to an operating ban within the UK.

This website/brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements.

We are unable to guarantee that all parties will be seated together. With some airlines it is possible to request, or in some cases, reserve certain preferred seats on the aircraft (most airlines will make an additional charge for this). We are happy to assist with this, but this is an additional service over and above your contractual arrangement for 'carriage by air' with the airline. Airlines reserve the right to make changes to any specific seat numbers for operational or safety reasons either before, or on the day of departure and you will be notified of any such change upon check-in. Where applicable, any additional charge made for pre-booking specific seats will be refunded.

Some of our tours involve transfers or transport between, for instance, mainland and an island. Where ferries, and similar, are disrupted you may need to engage your travel insurance dependent upon the situation.

22. Advance Passenger Information

A number of Governments are introducing new requirements for air carriers to provide personal information about all travellers on their aircraft to the Authorities before the aircraft leaves the UK. The data will be collected either at the airport when you check in or in some circumstances when, or after you make your booking. Accordingly, you are advised to allow extra time to check in for your flight. Where we collect this data, we will treat it in accordance with our privacy policy.

23. DATA PROTECTION

To process your booking and to ensure that your travel arrangements run smoothly and meet your requirements we need to use the information you provide. Depending on what's required, the personal data we collect may include names and contact details, credit/debit card or other payment information and special requirements such as those relating to any disability or medical condition which may affect holiday arrangements and any dietary restrictions which may disclose your religious beliefs.

The person who makes the booking is responsible for ensuring that other members of your party are aware of our booking conditions and this privacy policy and that

they consent to your acting on their behalf in your dealings with us.

Any such personal data that you provide will be held securely and for the purpose you have provided it, in accordance with both UK General Data Protection Regulation (UK GDPR) and the Data Protection Act (DPA) 2018.

We take appropriate technical and organisational measures which are intended to prevent unauthorised or unlawful processing of personal data and accidental loss or destruction of, or damage to, personal data.

We must pass the information on to the relevant suppliers of your travel arrangements such as airlines, hotels, transport companies, etc. We will not however, pass any information on to any person not responsible for part of your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. In making a booking, you consent to this information being passed on to the relevant persons only.

We may need to disclose personal data to a third party within countries outside the European Economic Area (EEA) for the purpose of providing your holiday. Controls on data protection in your destination may not be as stringent as in the UK. In addition, your data may be disclosed to regulatory bodies or public authorities such as customs or immigration for the purposes of monitoring and/or enforcing compliance with any regulatory rules/codes.

We will only send you information about special offers, brochures, new holidays and competitions if you have 'opted in' to receive marketing emails from Brightwater Holidays Ltd. If at any time you do not wish to receive this information you can use the 'unsubscribe' function at the bottom of any marketing email or call us.

For full details of how we may use your personal information and your rights in relation to your personal information, please see our Privacy Policy on our website: <https://brightwaterholidays.com/privacy>.
